RE : EQUALITY AND RIGHTS SHOULD NOT BE DENIED TO WOMEN IN THE NAME OF
CULTURE AND CUSTOM

1. THE BILL OF RIGHTS

We believe that the Bill of Rights is crucial to the quest for equality between the sexes in all aspects of life. Therefore, we request that the Bill of Rights be made applicable to all forms of customary law, customs and culture. According to the Qurahic norm of equity and justice and equal life opportunities, we therefore submit that the principle of equality must prevail where customs and culture clashes with equality.

2. THE CONSTITUTION

We further submit that the constitution must ensure that women and men be given equal rights as citizens in a democratic state.

THANK YOU.
