SUBMISSION ON FUNDAMENTAL RIGHTS:

We the FABCOG WOMEN'S CLUB, representing
WOMEN IN SOUTH AFRICA in an effort to
articulate the needs of all the women of this country and help
to pave the way to effective equality for all, call upon the
Negotiating Council to ensure that the country's law recognizes
equality for all its citizens.

We believe that equality is indivisible, and thus unequivocally
urge the Negotiating Council to deliver equality to all women
irrespective of race, colour or creed, at the same time.

We reject completely the notion of the promise of immediate
equality to white, coloured and indian women to the exclusion of
african women under customary law.
