TO WHOM IT MAY CONCERN

On behalf of the Pastor of BLUFF CHRISTIAN FELLOWSHIP and the congregation, we are totally opposed to the signing of the Bill of Rights, condoning Homosexual marriage.

Our country is supposed to be a Christian Country and therefore, it must live by the Word of God. It is quite clear in God's Word that homosexuality is detestable in the eyes of God (1 Cor 6:9). As a Christian nation, our view on the subject should be the same as God's view.

Yours sincerely

P.P.
