6. Procedural Issues

6.1 Media Arrangements:

A progress report from Administration was presented. It was noted that the SABC is still providing the service for the relaying of the proceedings, but as soon as a contractor was found a permanent service would be provided.

6.2 New Participants:

A progress report from Administration was presented. The following was noted:

- * Various applicants had requested and had been granted an extended deadline (till Thursday 27 May 1993) from Administration to submit their completed application forms.

- * The completed application forms and newspaper survey results will be forwarded to the Sub-Committee for processing. A recommendation will be made to the Planning Committee on Tuesday 1 June 1993, who in turn will submit a recommendation to the Negotiating Council on Tuesday 1 June 1993.

7. Substantive Issues

7.1 Receipt of Second and Supplementary Reports of the Technical Committees

7.1.1 Technical Committee on Violence:

7.1.1.1 The members of the Technical Committee on Violence were welcomed.

7.1.1.2 The Technical Committee presented an overview of their report, including issues to be highlighted or requiring decision/guidance from the Negotiating Council.

7.1.1.3 It was noted that due to time constraints, the Technical Committee had not yet addressed all issues.

7.1.1.4 Questions of clarity were addressed to the Technical Committee. Discussion and debate followed.

7.1.2.5 After discussion it was agreed that:

- * The Technical Committee on Violence be instructed to report to the next meeting of the Negotiating Council on the Conditions that should be Created to Eliminate Violence in accordance with the Resolution on the "Declaration of Intent on the Negotiating Process" adopted by the Negotiating Council on 7 May 1993. In doing so, the Technical Committee should address all issues identified on a comprehensive and holistic basis.

- * Furthermore, that all participants be encouraged to make additional submissions to the Technical Committee in this regard by 12h00 on Monday 31 May 1993.

7.1.2 Technical Committee on Constitutional Issues:

7.1.2.1 It was agreed to meet in-committee to discuss the proposed composition, as recommended by the Planning Committee, of the Commission on the Delimitation of Regions/States/Provinces.

7.1.2.2 Reports were presented by FT Mdlalose and the Sub-Committee on behalf of the Planning Committee.

7.1.2.3 After discussion it was agreed to:

- * Remove the name of H Ngubane from the proposed list as she was not available, being a delegate to the Negotiating Council;
- * Refer the issue of replacing H Ngubane with another woman back to the Planning Committee to submit a recommendation to the meeting of the Negotiating Council on 1 June 1993;
- * Encourage participants to submit further recommendations in this regard to the Planning Committee by 12h00 on Monday 31 May 1993;
- * Accept the list of 15 names and announce the Commission;
- * Formally accept the Resolution by the Planning Committee on the Commission on the Delimitation on Regions/States/Provinces as amended (see Addendum C).
- * Give priority to the reports of the Technical Committee on Constitutional Issues on the agenda of the next meeting of the Negotiating Council on 1 June 1993.

7.1.2.4 The meeting then met out of committee and formally adopted the above points.

7.1.3 Technical Committee on Fundamental Human Rights during the Transition:

7.1.3.1 The members of the Technical Committee on Fundamental Human Rights during the Transition were welcomed.

7.1.3.2 It was noted that the request from the Technical Committee to present their report first before all other Technical Committees for logistical reasons, was agreed to.

7.1.3.3 The Technical Committee presented an overview of their reports, including issues to be highlighted or requiring decision/guidance from the Negotiating Council. Discussion and debate followed.

7.1.3.4 It was agreed that the Technical Committee be mandated to formulate and draft:

- * The Fundamental Rights to be entrenched during the transitional period referred to in paragraphs 5.1 and 5.2 of the second report (excluding those rights referred to in paragraph 7.3 of the third report);

- * Various alternative formulations regarding the rights referred to in paragraph 7.3 of the third (supplementary) report; and

7.1.3.5 That the Council, accepting in principle the rights mentioned in the first asterisk above, considers and deals with the report when such a draft is put before the Council especially those rights referred to in the second asterisk above.

7.1.3.6 In this regard the following was noted:

- * That the proposal does not deal with or intend to address the issue of whether the Fundamental Rights should be confined to the Transitional Period only; it does not prejudice the question of the possible phases of the process;

- * That the AVU reserved its right on whether all the rights mentioned in the first asterisk above can be or should be included in a Bill of Fundamental Rights;

- * That the Ciskei reserved its rights on accepting 5.1 or 5.2 of the report in principle and during the Transition Period only;

- * That the KP stated that the point of departure of

the Technical Committee is a wrong one, i.e. that of a unitary state, with a unitary states model of Human Rights and that, rather, each State/Province/Region should be in a position to draft and accept their own Bill of Rights if they so wish, therefore, the KP rejects the decision as noted.

7.1.4 Technical Committee on the Independent Election Commission:

Due to time constraints, the Report of this Technical Committee was deferred to the next meeting of the Negotiating Council of 1 June 1993.

7.1.5 Technical Committee on the Independent Media Commission:

Due to time constraints, the Report of this Technical Committee was deferred to the next meeting of the Negotiating Council of 1 June 1993.

7.1.6 Technical Committee on the Amendment or Repeal of Legislation Impeding Free Political Activity and Discriminatory Legislation:

Due to time constraints, the Report of this Technical Committee was deferred to the next meeting of the Negotiating Council of 1 June 1993.

7.1.7 Technical Committee on the TEC and its Sub-Councils:

Due to time constraints, the Report of this Technical Committee was deferred to the next meeting of the Negotiating Council of 1 June 1993.

7.2 Election Date:

It was noted that this issue remains on the agenda until dealt with.

8. Administrative Matters

**RESOLUTION BY THE PLANNING COMMITTEE TO
THE NEGOTIATING COUNCIL MEETING OF 28 MAY 1993
ON THE COMMISSION ON REGIONS/STATES/PROVINCES**

WHEREAS there appears to be broad agreement that the most suitable form of government for the future will be one which involves an allocation of powers to national and regional governments, while the differences that exist relate essentially to the boundaries, powers and functions of the regions/states/provinces and the process whereby such differences may be resolved;

REALISING that regional boundaries will be relevant to the electoral process, as well as to the structures of the Constitution;

ACCEPTING that the powers and functions of regions/states/provinces are crucial to issues such as the form of state and self-determination, and will be a fundamental part of the constitution/s;

CONVINCED that while the demarcation of boundaries is a task which appropriately should be performed by a broadly based body of suitably qualified people, who will hear representations from the public at large and from different areas of the country, issues regarding the functions and powers of regions/states/provinces can at this stage of the negotiations best be dealt with by a smaller technical committee;

DETERMINED to ensure that we achieve a peaceful and negotiated agreement on the democratic transformation of our country within the time frames we have set for ourselves; and

HAVING charged a technical committee with formulating as a matter of priority, recommendations on the structures, powers and functions of regions/states/provinces, on constitutional principles and on the constitution making process;

WE, THE NEGOTIATING COUNCIL hereby appoint

Mr Bax Nomvete and Professor Flip Smit
as Co-Chairpersons, and

1. Basson Deon, Prof
2. Bernstein Ann, Ms
3. Daphne Paul, Mr
4. Du Plessis A, Mr
5. Govinden Betty, Ms
6. Gwagwa Lulu, Ms
7. Khumalo JAM, Mr Justice
8. Muthien Evonne, Dr
9. Ncamashe-Burns, Chief
10. Nkuhlu W, Professor
11. Rautenbach I, Professor
12. Reyneke Koos, Mr
13. Steyn Anna, Professor

as members of a Commission on Regions/States/Provinces to make recommendations to us, the Negotiating Council within six weeks, on the delimitation of regions/states/provinces.

FOR THE PURPOSES of its recommendations, the Commission shall:

1. Take into consideration, inter alia, the following:
 - 1.1 Historical boundaries, including provincial, magisterial and district boundaries and infrastructures;
 - 1.2 Administrative considerations including the availability or non-availability of infrastructures and nodal points for services;
 - 1.3 The need or otherwise to rationalise existing structures (including the TBVC States, self-governing territories and regional governments);
 - 1.4 The necessity of limiting financial and other costs as much as is reasonably possible;
 - 1.5 The need to minimise inconvenience to the people;
 - 1.6 The need to minimise the dislocation of services;
 - 1.7 Demographic considerations;
 - 1.8 Economic viability;
 - 1.9 Development potential;
 - 1.10 Cultural and language realities;

2. Allow interested parties and persons to submit their views and recommendations within a specified period, which should not be less than one month after an invitation in this regard has been published, and take these into account;
3. Be free to take cognisance of any other material it might wish to collect; and
4. Take cognisance of any progress made in the Negotiating Council by way of agreements on constitutional matters.
