Geagte prof. Venter

Na aanleiding van die debat en voorstelle ter wysiging van artikel 161 van die voorgestelde Grondwet in die Onderhandelingsraad se vergadering van 10 November 1993, word 'n konsep artikel wat hopelik die probleme uitgewys sal ondervang, hierby aangeheg vir u oorweging.

Ek bespreek graag met u indien nodig.

## AUDITOR-GENERAL

Section 191

A. Insert the following new subsection after subsection (2):

(3) If a vacancy of the post of Auditor-General occurs or an agreement in terms of subsection (2) cannot be reached, the Deputy Auditor-General shall become the Acting Auditor-General until such time as an Auditor-General has been appointed in terms of subsection (2) and will carry out all the powers, functions and duties vested in the Auditor-General in terms of this Act or any other Act.
