

(C) AMENDMENT OR REPEAL OF LEGISLATION IMPEDING FREE POLITICAL
ACTIVITY AS WELL AS DISCRIMINATORY LEGISLATION:

TREI GOVT.

1. We undertake to offer the Technical Subcommittee our fullest support and co-operation.
2. You will be notified of the name of the officer from our Department of Justice who will work with you, in due course. Please notify us of the day and date on which the Technical Subcommittee will confer with him/her on this matter. Refer all enquiries to Z. Titus who can be contacted through Dr Eloff's office. In the meantime copies of the appropriate legislation as well as a list thereof will be made. We have an updated index covering subordinate and primary legislation introduced in Transkei after 1963. There are also a number of pre-1976 South African laws applicable in Transkei. Reference will also be made thereto. We are also compiling a list of the laws falling within the purview of the laws under consideration but which have otherwise been repealed or amended. We would welcome a comprehensive list of the laws the subcommittee has already identified in respect of the other States and homelands.
3. A practising attorney will work with the officer from the Department of Justice on this matter. We feel that someone from outside of Government will provide the team with the fair balance required in tackling a matter of this nature.

4. Finally, a circular letter will be sent to all organisations in Transkei requesting them to contribute to this exercise. This is being done in order to ensure that there will be no queries with regard to our handling of this matter.
