

**INSTRUCTIONS TO THE TECHNICAL COMMITTEE ON
CONSTITUTIONAL ISSUES
24 JUNE 1993**

1. Synthesize proposals on the table into a systematic form and present a model/scenario in respect of the "bottom-up" approach.
2. Both the Negotiating Council and the Technical Committee explore further the "equilibrium" offered in paragraph 4 of the Sixth Report of the Technical Committee, creating common ground and bridging the differences among participants.
3. Look into the establishing of SPR Governments and Legislatures at the time of a national election; How these will be linked with the national structures; And further that the Negotiating Council discuss the Fourth Report with a view to debating how SPR's will work in concrete terms.
