Dear Gillian

It was good to meet you yesterday and I appreciate your willingness to help with our procurement of documents.

I have enclosed a list of the individuals in our Department, who are involved in monitoring constitutional negotiations. We will all be visiting your office on an ad hoc basis; enlisting your help in our efforts to stay on top of everything that's happening.

Route DESA (Section: Negotiations) forms, amongst other duties, the secretariat of the Ministerial Committee which is currently, on a bilateral basis, negotiating the reincorporation of the four TBVC states. We are thus especially interested in any material pertaining to regionalism and of course the relevant positions of Transkei, Bophuthatswana, Venda and Ciskei.

We have taken note of your budgetary dilemma regarding reproduction of documents, and will for that reason gladly collect documents personally, do the reproduction ourselves or pay for the copies we receive, whatever is preferable.

All documentation received is treated as confidential and handled by members of our section only. It is, however, imperative that we have access to as much available information possible, in order to conduct highly sensitive bilateral negotiations successfully.

Thank you again for your offer of assistance. As discussed, I will expect a call from you tomorrow (Friday, 11 June 1993) to confirm a pick-up time for the 5th report by the Technical Committee on Constitutional Matters.

Kind regards

YOLANDA KEMP
