Meeting with members of United Front  
of ZIMBABWE.

We thank you for your offer to  
try and open doors of communication  
with leaders in political spheres  
as well as Business, Industry and  
Agriculture.

We of the United Front, believe that  
there can not be a new South  
Africa without a re-orientation  
of Central and Southern African  
states, resulting in a new and  
dynamic union of African States.  
In support of this vision, we plan  
cross pollination through group  
contact exchanging communication  
experiences.

The United Front is a fast
