Dear Sir/Madam

The above mentioned Association operate from the PWV AREA to Northern Transvaal would like the Negotiating Forum to discuss the following issues: We would like you to table a Bill concerning the running and administration of the Taxi Industry as there are lot of Taxi Feud in our country which have caused unnecessary and uncalled deaths. We also suggest that the Forum should investigate all the killings from as early as 1989 untill now. We once suggested this to the Ex-Minister of Law and Order Mr Vlok in 1989 but nothing was done.

For your information we have lost most of our people from 1989 because of this problem and from January 1993 untill the 07th.October 1993 we have lost 20 (Twenty) of our members excluding the passengers.

We will be glad if the Forum can attend to this issue as soon as possible.

Hoping our request will be highly appreciated and considered.

Thanking You
Yours Faithfully
B.Sito (Secretary General)
