

AVU 5-18-1

SUBMISSION: AFRIKANER-VOLKSUNIE

TRANSITIONAL ARRANGEMENTS

As soon as new constitutions (regional and central) have been adopted, transitional arrangements to be agreed on, should be implemented on regional and national levels.

There should be transition from position A to position B. We know what position A is, but we don't know yet what position B is going to be. How can we plan a transition to an as yet undefined new position.
