MEMORANDUM

TO: Technical Committee on the Independent Electoral Commission

FROM: Theuns Eloff (Administration)

DATE: 21 July 1993

RE : **Requests to Planning Committee**

Dear Technical Committee

With reference to your letter to the Planning Committee, dated 14 July 1993, the following was decided by the Planning Committee and the Negotiating Council:

- 1.1 No public hearing would be held or oral Reports heard. The Negotiating Council has reiterated on Tuesday 20 July that the general rule is written submissions. If, however, a Technical Committee needs further amplification on a written submission, it can decide to invite a submitting party to elaborate on the written submission.
- 1.2 The Negotiating Council appointed a "political" sub-Committee on Wednesday 21 July 1993 to deal with processing of the Draft Bill, with specific reference to clauses 7, 16, 17, 18.3 and 21. This sub-committee was also charged with your requests of 14 and 21 July, as well as advising the Planning Committee on the drafting of the Electoral Bill. The sub-committee consists of:

Mr Ken Andrew (Convenor)
Mr S.G. Mothibe
Mr P Maduna
Mr D Schutte
Mr B Desai

The Sub-Committee will report to the Negotiating Council later today. As soon as the report is received, further decisions will be conveyed to you.

2. We hope you find this in order and wish you well with your important work.

M. G. Eloff
