COMMENTS ON DRAFT LEGISLATION

- i) INDEPENDENT ELECTORAL COMMISSION,
- ii) INDEPENDENT MEDIA COMMISSION

The Labour Party has on several occasions, declared itself in favour of the creation of an Independent Electoral Commission and an Independent Media Commission. The tabling of draft legislation for consideration towards that end is, therefore, most welcome, and the principle of the legislation is acceptable to the Labour Party.

However, we reserve the right to make further comment and submissions on the detail of the drafts at a later stage.
