- (c) Proportional representation number of consentments in party packets must be proportional to other party consentments.

HIGHER DIRECT.

- (a) a Director for each party.
- (b) They rule by consensus and mutual consent.
- (c) Elected out of Lower Direct consent, every party voted for their own Director out of consentants in their party in the Lower Direct.
- (d) No Director holds total Authority or power.
- (e) They make the Laws send them down to Lower who discuss it and put it down to size by an open debate and discussion in Lower Direct of meetings.

ABOUT OTHER MATTERS. IN THE SHORT TERM.

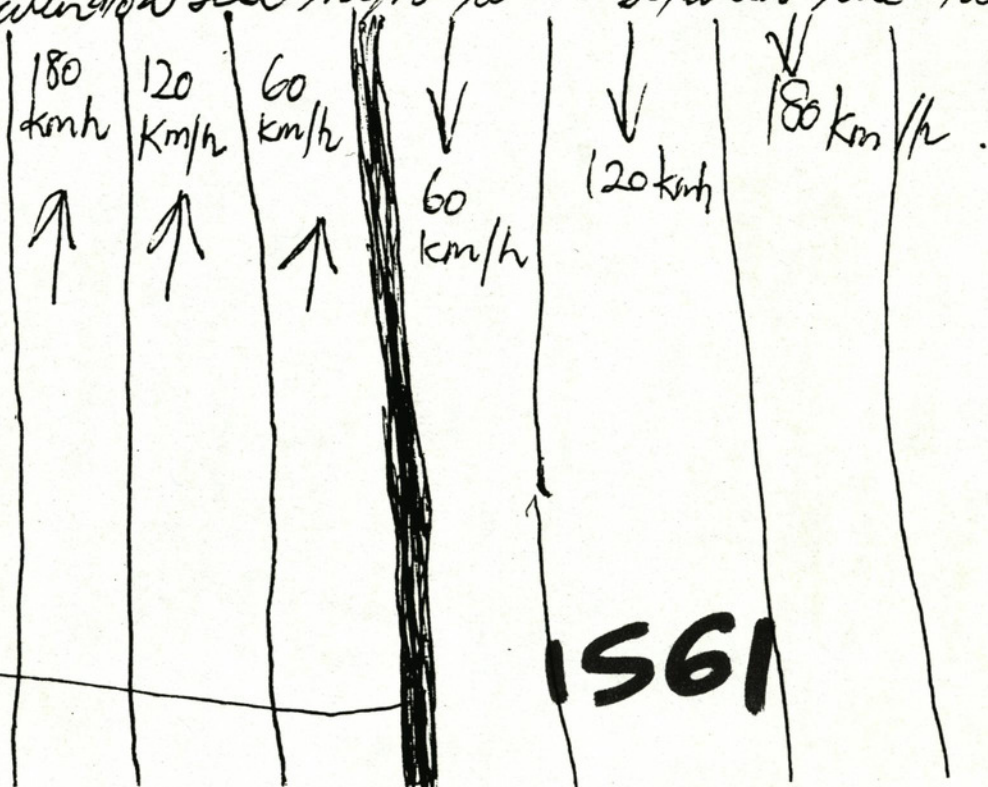

Make Dr Harry Swarth new Ambassador in the USA to head an economic forum of South Africa to improve South African economy.

Make the Gold Reserves in the Reserves Bank into jewelry and sell them on the overseas market.

Make farms into Kibbutz and
 Moshavim and send Penicillin
 to live there with teenagers
 and students to help them on
 with these Kibbutzes and they remove
 by slow process the inner HEININGS.
 of different farms next to each
 other

ROAD SYSTEM.

Make three lanes the main
 highway like the N1 N2 N4 N5
 etc. let the people drive in
 the inner lane and over take
 in the outer lanes 60 km/hr
 inner lane 120 km/hr outer lane and
 180 km/hr third outermost lane
 with a window sill high wall between the two
 ways.

Window sill
 high wall

1561

The Sir Lowry's Pass. Neck.

The road and the railroad make a
cross there. Move into the mountains
~~at~~ before the centre, where the railroad
and road make the cross and make
a bridge fly over the off thing behind
the road. The railroad and road makes
the cross.
