Dear Dr. Eloff

It would be very much appreciated if you would bring to the attention of The Planning Committee that arising out of the reports of the Technical Committee on Constitutional Issues two legislation would have to be considered simultaneously.

In respect of a Bill on Privileges and Immunity reference is already made in the draft constitution.

The other legislation that is required would deal with the Political Office-bearers such as the Definition of The Leader of the Official Opposition, Chairman and the Deputy Chairman of Committees, Chief Whip, Whips, etc.
The present legislation could be also amended for this purpose.

With Kind Regards

A. Rajbansi
