Dear Sir/Madam

I have been requested by the COSATU Central Executive Committee meeting to request a meeting with the Planning Committee and an address to the Negotiations Council on matters affecting the rights of workers and the future of the Trade Union Movement in general.

The issues we want to raise in particular relate to the following issues:

1. Right of Employers to lock-out.
2. Proposals on the future of the public service.
3. Powers, functions and duties of Regions which has an effect on the operation of the labour movement.

We would appreciate it if the meeting could take place not later than Wednesday 20 October 1993.

Regards

Sam Shitowa  
General Secretary
