Dr. Theunis Eloff
Head of Administration
Multi-Party Conference
World Trade Centre
KEMPTON PARK

FAX: 397-2211

Dear Dr Eloff

CONSTITUTIONAL CONFERENCE: CAPITAL CITY OPTIONS

We are conducting a research project into options for a new capital for South Africa, to resolve the present tripartite capital system.

As the present multi-party conference seems set to develop into a full-scale Constitutional Conference, the issue of a capital city may well arise.

To assist with the application of objective criteria, in the choice of capital city options, we would be pleased to make a presentation to the Conference as per the attached profile.

We should be pleased to supply any further information which may be required.

Yours sincerely

PETER HANCOCK
Director

URBAN RESEARCH PROJECT
