Hogmeyer
Distinguish b/t notes to remind us or notes to inform public.

Ranaphosa
This one to remind us:
We need to deal w/ "binding" + "respect".

Fouine
But public wd then believe that there's agreement on this. This isn't the case.

Ranaphosa
But public will know it is a Working Draft. That will be explained - is Work in Progress.

Nissels
Agrees that ① doc. will state this a draft & ② to understand doc., shouldn't fill it with footnotes. Can include options.

wd be difficult for anyone else who hadn't been hands on
& cd mean wks or months of litigation.

- So wd need it to be someone w/ hands on experience of it.
- What are internat'l precedents

Meyer

Is there a need to declare elections free & fair. Normally the structure w/ ran the elections wd declare this - Chief Electoral Officer.

If contest of result occurs, cd. go to court.

Cd be contested in court or special electoral court.

There is a need for a special electoral court.

De Beer

TC did think this through & decided -
election management:

- 1) Prep & main of roles
 - funds
 - regulations
 - education of electorate

General laws must indicate doesn't monitor or
adjudicate

Ordinary courts wd adjudicate.

Wd support esta. of special court, w/ wd be involved in whole process of elections.

Option to what? to 2? or on own.
If on own, ANC stand in opposition must be made clear.

Marais

Not option, but possible addition (3) in brackets.

Ramaphosa

To stand on own? If so, (2)(c) more or less tranches on the matter.

Marais

In original submission, included this submission. Don't relate to private institutions discussed in (2). Set to separate.

Pandor

How did not current provisions not respond to content of this.
