Honourable Sirs

RE : QUIRIES ABOUT BOPHUTHATSWANA NEGOTIATING DELEGATION

Contrary to Bophuthatswana laws that forbids academics to be involved in politics we see Bophuthatswana having two academics who are primarily civil servant who's Mrs Beauty Malefo (Rector of Tlhabane College of Education) and Mrs Mangope (who is the official of the Msabana Centres).

Contrary to spirit of democratizing the selection of negotiating delegate like in Transkei, Venda etc... we see in Bophuthatswana a Mr R. Cronje playing a very eminent role (1) When in this ethnically based government, Mr Cronje is not even a Motswana, and his presence is questioned by many many people here, but he was installed and supported by the so called - Christian "Democratic" Party. We consider this very ironic.

Yours in the Lord Service

P.P. Sophy
