1. OPENING

Mr. Ramaphosa opened the meeting at 14h18. The agenda was confirmed.

2. MINUTES

Minutes of the Fifth Meeting of the Constitutional Committee held on 17 October 1994 were adopted.

3. MATTERS ARISING

Matters arising were included in agenda items below.

4. REPORT ON THE PROCESS AND WORK PROGRAMME

- 4.1 Mr. Ebrahim spoke to the Memorandum entitled "Process: Work Programme for Theme Committees" included in the documentation. Discussions with the parliamentary administration revealed that significant additional time will become available if the 1995 parliamentary schedule is revised. This includes opening parliament earlier and shortening the Easter and mid-year recesses. A letter would be forwarded to Cabinet requesting these changes as well as funds for two additional airline tickets for MPs to accomodate the earlier opening of parliament.
- 4.2 It was agreed that paragraph 1 of the Memorandum's Recommendations should be deleted.
- 4.3 It was noted that Theme Committees 1 3 would alternate with Theme Committees 4 6, each committee meeting every other week in the time slots 8h00 10h00 and 10h00 12h00.
- 4.4 It was agreed that the letter to the Cabinet be followed by a meeting with the Leader of the House to ensure that the Constitutional Assembly obtained sufficient time for its work.
- 4.5 The Work Programme was adopted.

5. PUBLIC PARTICIPATION: REVISED STRATEGIC OVERVIEW

- 5.1 Mr. Ebrahim spoke to the proposal, "Public Participation A Strategic Overview," included in the documentation.
- 5.2 Mr. Rabie requested that the term "Deputy President" be correctly stated as "Deputy Presidents" in paragraph 6.2.4.b.

- 5.3 Ms. Ginwala proposed that "special programme" replace "special effort" in paragraph 6.2.2.
- 5.4 The meeting adopted the document as a broad framework.

6. TECHNICAL EXPERTS

6.1 APPOINTMENT OF CONSTITUTIONAL PANEL

- 6.1.1 The draft proposal, "Appointment of the Independent Panel of Experts" included in the documentation had been revised to incorporate recommendations made by the Management Committee. The revised proposal was tabled and circulated in the meeting. Ms. Zondo spoke to the revised document.
- 6.1.2 The selection process spelled out in paragraph 2.2 was amended to enable the sub-committee to see how best to proceed with the task. It was agreed that paragraph 2.1 would be the basis of the sub-committee's work, and paragraphs 2.2(a) and 2.2(c) would be deleted.
- 6.1.3 Mr. Wessels reported on discussions in the Management Committee around paragraph 2.4(c) which stressed the need for consensus in selecting the Panel of Experts. If consensus were not possible, the sub-committee would approach the Management Committee to see what further steps should be taken.
- 6.1.4 Names for the sub-committee would be submitted by Wednesday, 26 October.
- 6.1.5 The document was adopted, subject to the above amendments and additions.

6.2 APPOINTMENT OF TECHNICAL COMMITTEES

- 6.2.1 Ms. Zondo spoke to the proposal entitled "Appointment of Technical Committees" included in the documentation.
- 6.2.2 It was agreed that Theme Committees such as Theme Committee 6 could propose a more flexible approach for the selection of technical experts than currently contained in paragraph 2.1 and forward such proposals, together with motivations, to the Management Committee for consideration.

(Constitutional Committee - 7 November 1994)

- 6.2.3 Ms. Mabandla proposed that members of the Technical Committees acting as participants in the process be South African citizens. However, exceptions would be made in the case of specialised input. The meeting accepted the proposal.
- 6.2.4 The meeting discussed who should select the technical experts: the Management Committee or Theme Committees. It was agreed that Theme Committees would identify technical experts they would like to employ and the basis of employment (e.g. length of employment) and forward their proposals together with motivations to the Management Committee. The Management Committee would forward proposals made to the Constitutional Committee.
- 6.2.5 The meeting adopted the document as amended.

7. STANDING RULES

- 7.1 Mr. Lilienfeld spoke to the document, *"Proposed Recommendations to the Rules Committee,"* included in the documentation.
- 7.2 Rule 27 (b) was amended to read "If a select committee considers it necessary for the proper performance of its functions, it may allow any person to attend and address it."
- 7.3 The meeting accepted the proposed recommendations as amended.

8. GENERAL

×

8.1 VOLKSTAAT BILL

8.1.1 Mr. Ebrahim reported back on discussions in the Management Committee around the draft Volkstaat Council Bill included in the documentation. Paragraph 6.2 is unconstitutional. It was noted that agreement has already been reached in the Standing Committee for the deletion of section 6.2 from the draft bill.

MR MEYLR - RET= TO 6.2 WITHDRAMM?

8.1.2 Prof. Asmal pointed out that paragraph 6.1 of the bill may be similarly problematic. It was agreed that this would also be brought to the attention of the Standing Committe.

8.2 CONSTITUTIONAL COURT

Mr. Ebrahim reported that the Directorate had been in contact with

the President of the Constitutional Court and is in the process of drafting guidelines for the certification process in conjunction with the court.

8.3 DRAFT CONSTITUTIONAL ASSEMBLY REPORT

The meeting agreed to the suggested structure of its report to the Constitutional Assembly on 31 October 1994 and agreed that a draft report would be submitted to the Management Committee on 27 October 1994 for its consideration.

8.4 ALTERNATES FOR THE MANAGEMENT COMMITTEE

It was reported that this issue had been discussed by the Management Committee and it was agreed that alternates were not allowed. However, any member was free to attend Management Committee meetings as an observer. If a member of the Management Committee was to be absent for any length of time, the political party was entitled to change its member by formally notifying the chairperson. Mr. Sizani asked whether this decision was implied in the Standing Rules. It was agreed to ask the Legal Advisors to consider the matter and report to the next meeting.

9. AOB

No other business arose.

10. CLOSURE

The meeting closed at 16h48.

SECRETARIAT REPORT

1. INTRODUCTION

- 1.1 Meetings of all six Theme Committees took place as scheduled on 31 October 1994. Joint Theme Committee Core Groups meetings have been arranged to discuss the three prominently overlapping themes :
 - Traditional Leadership [2,5,6]
 - Volkstaat [2,6]
 - Provincial Government [2,3]
- 1.2 Core Group meetings continue to be arranged at short notice.
- 1.3 Presently the Secretariat is in the process of updating all Theme Committee Membership lists. Some problems were experienced with delivery of documents to members, hence a new system of document delivery is being implemented by the Secretariat to ensure an effective system.

2. THEME COMMITTEE ONE :CHARACTER OF DEMOCRATIC STATE

Party submissions on the workplan have been received and processed by the Secretariat. The meeting resolved that the Secretariat should work on a synopsis of party submissions for discussion by the Core Group.

3. THEME COMMITTEE TWO: STRUCTURE OF GOVERNMENT

Processed submissions were discussed and adopted pending some corrections. The meeting agreed to address the issue of "Electoral Systems" by means of a commission. A proposed list of technical experts was adopted by the meeting.

4. THEME COMMITTEE THREE: RELATIONSHIP BETWEEN LEVELS OF GOVERNMENT

Submissions on the workplan will be discussed at the next meeting. A decision was taken to allow alternates to attend Core Group meetings on behalf of their parties provided that they were full members of Theme Committee Three.

5. THEME COMMITTEE FOUR: FUNDAMENTAL RIGHTS

A synopsis of party submissions on the workplan was discussed. Principle II would be the framework for the workplan.

6. THEME COMMITTEE FIVE: JUDICIARY AND LEGAL SYSTEMS

7. THEME COMMITTEE SIX: SPECIALISED STRUCTURES OF GOVERNMENT

The Theme Committee has been sub-divided to discuss four themes in order to draw a workplan. Time frames will be added to the report before finalisation of the workplan. Alternates have been allowed in theme groups to accomodate smaller parties.

MEMORANDUM

TO : Members of the Management Committee

FROM : Hassen Ebrahim **Executive Director**

DATE : 2 November 1994

SUBJECT : DEBATE IN CONSTITUTIONAL ASSEMBLY

I refer to the Constitutional Committee meeting of the 31st October 1994 and have identified some issues raised in debate which you may wish to consider further.

1. Construction of the Constitution -

It has been argued that the Constitution should be user-friendly, accessible, available in all languages and in a language that is simple enough for all citizens to understand. It was further stated that the simplicity in language should be finely balanced with the legal requirements of the new constitutional text.

2. Technical assistance -

- 2.1 A request was made that technical assistance be given to especially smaller parties so as to enable them to participate more effectively in the drafting process. This, however, begs a further question regarding the responsibility of the Constitutional Assembly to assist any party in any way whatsoever - bearing in mind the financial implications thereof.
- 2.2 The Management Committee was also urged to consider the position of members of Theme Committees and consider means of empowering members so as to enable them to participate fully in the process as a whole so as to ensure that technical experts did not dominate the process of constitution-making at the expense of elected representatives.

3. Tabling of submissions -

The discussions held in the Management Committee with regard to the tabling of an index containing all the submissions made to the Constitutional Assembly was raised in debate. Kindly note that this matter is presently being attended to by the Directorate and will be presented for consideration by the Management Committee shortly.

4. Schedules -

- 4.1 Concern was raised that various structures of the Constitutional Assembly were scheduled to meet at the same times as Parliamentary Standing Committees. This matter was raised by the Chairperson with the Directorate and a memorandum detailing this complaint has already been issued to the Speaker as well as the Committees Clerks and Programme Officers. Hopefully, this problem will not repeat itself.
- 4.2 It was also emphasised that the Chairperson, Speaker of the National Assembly and President of the Senate needed to ensure members were provided with the necessar y facilities to manage their workloads and mention was made of a commission in this regard.

5. Media -

- 5.1 A note of caution was sounded about the budgetary implications of producing our own media. It was emphasised that we needed to maximise the utilisation of the present media coverage of proceedings and that media liaison should be the corner-stone of the media strategy as a whole. It was suggested that the media campaign should be less of a publicityor public relations exercise but should concentrate on achieving effective communication with the public.
- 5.2 It was emphasised that the media campaign would need to be closely monitored to ensure that it achieved the stated objectives.

6. Provinces -

The Chairperson's remarks with regard to liaison with Premiers and Provincial Legsilatures to ensure greater involvement in the drafting of the Constitution was raised. Kindly note that this matter is presently being attended to.

7. Traditional Leaders -

It was suggested that various Theme Committees dealing with Traditional Leaders organise a general meeting on dealing with the question of Traditional Leaders. Kindly note that this matter will arise for the attention of the Management Committee from the various Theme Committee submissions in their work plan.

8. Interim Constitution -

It was suggested that whilst we should not slavishly follow the Interim Constitution, we should not scrap it completely.

9. Theme Committees -

It was argued that the main function of this structure was to give parties, organisations, structures outside of the Constitutional Assembly and the broader public an opportunity to participate in the constitution-making process. The work programmes of Theme Committees would need to take this into consideration.

10. Rural population -

We were urged to empower this sector of our population so as to enable them to effectively participate in the drafting process. In this regard, it was suggested that the structure of the Constitutional Assembly should not wait for people from the rural areas to come to it, rather, we should go to them. It was pointed out that the Budget of approximately R20 million allocated for the community liaison programmes would be money well spent if the programme was properly structured and reached the disadvantaged sectors of the population.

11. Public views -

In this regard an inquiry was made as to what mechanisms would be utilised to make views from members of the public known to Theme Committees so that these views can also be incorporated in the process. Kindly note that aside from the tabling of an index of submissions with the Constitutional Assembly, copies and or summaries, of the relevant submissions would be made available by the Administration to the respective Theme Committees.It was also pointed out that members of Theme Committees would themselves be attending the various forums arranged with sectors of the public, for example, and would be able to ascertain the views of the public on particular matters in a very direct fashion.

13. Minority reports -

This matter was raised once again and parties were urged to ensure the inclusion of Minority Reports. It was, however, also noted in the debate that minority views were well accommodated within the reports by Theme Committees as agreed to.

14. Public education -

We were once again urged to ensure that members of the public were educated about the process of constitution making. It was pointed out by the Chairperson that this is one of the primary objectives of the Media Campaign agreed to.

15. **Time Frames** -

- 15.1 Most speakers addressed the issue of time frames. Two views emerged. The one view stated that it was possible to complete the process within the stipulated two years now that the framework and modalities had been agreed upon. The second view expressed serious concern about the possibility of meeting these deadlines and said that deadlines should not be adhered to at the expense of thorough work and at the expense of involving the broader public and writing a credible constitution. This view also pointed out that it would not be possible to gain the valuable experience of implementing the Constitution if deadlines were adhered to, too rigidly, as many of the structures would not be set up by June 1995. This was especially so in the case of Provincial and Local structures of government.
- 15.2 This issue will require ongoing monitoring and discussion by the Management Committee.

Technical Committees -16.

The Management Committee was requested to provide greater clarity on the role of Technical Committees in the process as a whole.

Evaluation -17.

It was emphasised that regular evaluation of the entire process would need to take place to ensure that progress was being made.

MEMORANDUM

TO :Constitutional CommitteeFROM :Management CommitteeDATE :3 November 1994

SUBJECT : Liaison with Statutory Bodies

1. COMMISSION ON PROVINCIAL GOVERNMENT

Decision Required : None

Background :

An initial meeting has taken place between the Chairperson and the Chairperson of the Commission on Provincial Government to discuss procedures for interaction between the Commission and the Constitutional Asembly. In terms of Section164 of the Constitution, the Commission is instructed to *"advise the Constitutional Assembly on the development of a constitutional dispensation with regard to provincial systems of government."*

A proposal on the procedural guidelines for interaction between the Commission and the structures of the Constitutional Assembly is being prepared and will be tabled for the consideration of the Management and Constitutional Committees in due course.

2. VOLKSTAAT COUNCIL

Decision Required :

- 1. Constitutional Committee endorses the recommendation of the Management Committee that ongoing liaison take place between the Chairperson and Deputy Chairperson of the Constitutional Assembly and the Chairperson of the Volkstaat Council.
- 2. The Constitutional Committee considers the status of Volkstaat Council proposals and/or submissions to the Constitutional Assembly. No specific recommendation from the Management Committee in this regard.

Background :

An initial meeting has taken place between the Chairperson of the Constitutional Assembly and the Chairperson of the Volkstaat Council to discuss the mechanisms for communication between the two structures. The proposal put to the Management Committee, and accepted as a recommendation to the Constitutional Committee, was that ongoing liaison between the Chairpersons take place for the purposes of keeping both structures briefed on developments in either structure.

3. PROVINCES

Decision Required :

The Constitutional Committee instructs the Management Committee to determine appropriate mechanisms for ensuring the participation of provincial structures of government in the process of constitution-making and reports to the next meeting of the Constitutional Committee.

Background :

The issue of provincial participation in the process of constitution-making was briefly discussed by the Management Commitee, noting that the Senate was presently engaged in discussing its own links with provinces and that the Constitutional Assembly should seek to join this discussion. It was reported that the Chairpersons would meet with Premiers and Provincial Legislatures early in 1995 for the purposes of briefing them on developments in the Constitutional Assembly and seeking to discuss appropriate means of involving provincial structures in the process of constitution-making. (Constitutional Committee - 7 November 1994)

MEMORANDUM

To :	Constitutional Committe
From :	Management Committee
Date :	7 November 1994

Subject : 1995/96 BUDGET

Decision required : None

Background :

Please find attached the detail of the 1995/96 Budget proposal presented to both the Constitutional and Management Committee. *See Annexure One.* A Budget of approximately R69 million was approved in principal by both these committees.

The Constitutional Committee delayed detailed discussion on the budget "line items " for a later stage. Since then, the Management Committee has discussed the Budget and instructed the Chairperson to examine the proposal in depth with the Directorate with the objective of overall cost reduction in line with the recent Government decision to reduce state expenditure on administrative items; and to determine in fuller detail what costs could be expended on the public participation programme in particular. It was however noted that the parliamentary budget as a whole, of which this budget forms a part, will be discussed with the Department of State Expenditure on Monday 7 November 1994.

This discussion is ongoing and therefore no decision is required of the Constitutional Committee at this point in time. A detailed report will be submitted by the Chairperson to both the Management and Constitutional Committee in due course on both the 1995/96 Budget and the budget of R25 million for the current financial year.
