Dear Sir/Madam

21 October 1993

INFORMATION REGARDING DELIBERATIONS ON A POSSIBILITY
TO EXTEND THE INDEMNITY CUT-OFF-DATE

We refer to the above matter and advise that we act on behalf of Mr Duncan Seabe who committed an offence on the 12th of November 1992, which falls outside the cut-off-date. The defence and the Magistrate came to an arrangement that the indemnity application has to be first finalised and then the criminal matter will then follow.

We have written and phoned to the Indemnity Council in Pretoria which advised us that our application cannot be finalised while the issue of the cut-off-date is still being discussed at the World Trade Centre. In the premises the Magistrate and our office would urgently like to know about progress in this matter, as your Ms S. Hutchins could not help us. Our Mr Hlubi has to report to the Magistrate of progress on indemnity every Friday of the week.

We await your response.

Yours faithfully

.....
Z.S. HLUBI
