THE BLACK SASH**DIE SWART SERP****Natal Midlands Region**

20 August 1993

Dear Melody

Please could you ensure that the following statement from The Black Sash is forwarded to the Technical Committee: Fundamental Rights.

The Black Sash is deeply concerned about the inclusion of the "right to life" clause (Fundamental Rights and Freedoms: Life 3.(1) and the fact that there has been grossly inadequate consultation with women around this issue. We urge the Technical Committee to insist that, until appropriate abortion reforms are in place, it be excluded from the Bill.

Yours sincerely
