VENDA GOVERNMENT  
INDEPENDENT ELECTORAL COMMISSION PROPOSED BILL

Venda supports the principles contained in the proposed Bill of Independent Electoral Commission. The Bill makes adequate provision for the conduct, supervision, monitoring and evaluation of the national elections aimed at facilitating the democratic elections of a New democratic order in terms of a transition to democracy.

The basic objectives of the Commission to administer and conduct a free and fair democratic election process are sufficiently

**covered.**

Powers and functions of the Commission are acceptable in principles.

The composition in principle is reasonable.
