Dear Sirs

Thank you most sincerely for the Minutes and correspondence which I recently received.

I would like to place on record that I will no longer be attending the Convention as a Delegate due to various other commitments. The Solidarity Party of South Africa will be appointing another Delegate of whom you will be informed.

I want to express my personal appreciation and gratitude at the manner in which the Convention was conducted enabling all Delegates to express their views.

Let us together hope that the Convention achieves its goals for a peaceful and democratic future for all South Africans.

May I also take this opportunity to wish you and your families a blessed Christmas and a 1992 abundant with hope, peace and prosperity for South Africa and all its peoples.

With Kind Regards

B DOOKIE, MP
