Dear Sir/Madam,

I am head of the Urban Studies Unit at the Institute for Social and Economic Research. The Unit has been investigating the causes of violence and the question of urban reconstruction as part of the long term solution to the violence in South Africa. Our main empirical focus is Natal.

We have been in contact with the National Peace Secretariat and are undertaking some research for the Goldstone Commission.

We are very keen to be of assistance to CODESA, particularly Working Group No. 1. Please let us know how we may be of assistance.

Yours faithfully
