Dear Sir

I refer to the article which appeared in the Argus of 1992-02-07 inviting written submissions from various interest groups on matters relevant to the five Working Groups of CODESA.

At the Executive Committee meeting of my Council held on 1992-02-11 it was proposed that this Council should make representations relating to local government structures to the appropriate committee of CODESA. To this end it would be appreciated if you could furnish me with copies of the terms of reference of each of the five Working Groups to enable my Council to identify the committee to which its representations should be addressed.

Please forward the terms of reference to:

The Town Clerk
