Describe what happened: Stood behind table 1-4 for about 5 min. was approached by IEC (monitor & visiting monitor) told I'm not allowed to stand here. Disallowed to walk around behind the tables

What did you do about it? Questioned him immediately and asked where I am allowed & not allowed. Clarified with Presiding officer. Reminded Presiding officer that I am allowed to move around within the inner perimeter as the other agent can only come as far as the controlled area.

What action was taken by the Presiding Officer or other officials? Telephoned the office and was told that I am allow to move around behind the tables and not just the centre of the hall.
