# African National Congress

21st May, 1982.

Comrade Albie Sachs,  
African National Congress,  
Maputo.

Dear comrade Sachs,

We have been informed, by our mission in India, of an invitation to the South African Bar Association (SABA) to a conference which is to take place towards the end of 1982 in New Delhi. We do not know as to who the sponsors of the conference are nor what its theme is.

The government of India however wishes to know from the ANC if it should allow the SABA to participate in this conference.

We thus request you to furnish us with information pertaining to the character and activities of SABA, and on that basis solicit your opinion on whether we should permit it to participate.

Please treat this as a matter of urgency.

Amandla!
