24 January 1992

Dear Kgoshi BH Rammapudu

Thank you for your recent application for inclusion of the Paramount Chiefs of QwaQwa in the CODESA process. With regard to the issue of the participation of the King of the Zulus and other traditional leaders, the CODESA Management Committee, at its meeting on 10 January 1992, decided as follows:

1. A Sub-committee, consisting of four members, was established with a mandate to investigate and make recommendations to the Management Committee on an appropriate role in the negotiations process for the King of the Zulus and other traditional leaders.
2. For this purpose, scholars and experts should be given the opportunity to present evidence, attention being given to pre-colonial and governmental states as well as to historical, cultural and ethnic considerations and comparable constitutional situations in Africa and elsewhere.
3. The Subcommittee is to report back to the Management Committee in advance of the next plenary meeting of CODESA.
4. All interested parties not represented on this Subcommittee will be welcome to make representations to it.
5. The Subcommittee consists of Mr TJ Mohapi (convenor), Dr F Mdlalose, Mr MJ Mahlangu and Mr NJ Mahlangu.
6. The Subcommittee only having been appointed recently, it has yet to determine the manner in which it receives submissions.

For administrative reasons we advise that, should you wish to make representations to the Subcommittee, your communication to this effect should be forwarded to this office, marked for the attention of the Subcommittee for Traditional Leaders.

Yours faithfully
