NEWS FLASH

The C.D.P. calls to an end the '92' Referendum as of 12 pm, March 11, 1992.

The C.D.P. will lead S.A. into the new dispensation, no longer can we and the electorate tolerate this charade by so-called pseudo - intellectuals who haven't got a clue as how to run this beautiful country with it's unlimited potential.

I call on the police and army to be on full alert. I ask all peoples in S.A. to remain calm during transition.

So Be it.

S. G. COULLIE
C. D. P. LEADER

There are only two choices :

- * Go ahead with the Referendum and have war
- or
- * Stop the Referendum with Mr De Klerk as State President to see out his 3 year tenure, Mr G. Buthelesi as Prime Minister etc., in new interim government.

An election now is out of the question, we cannot afford it (R80 - 100 million)
