Time of incident: At 08h45am AND 10h00am

Describe what happened: Police car, reg. 8H2940 B, Mazda 323 - sodan transported members of the general public from Kensington Civic Centre to this Voting Station. This happened on two occasions.

Their reasons were that a lot of old people were standing at Kensington Civic Centre under the impression that they could vote there. They informed the people that special voting only takes place in Factreton - therefore they gave them a lift down to the voting station.

What did you do about it?
I reported this incident to the Presiding Officer and also requested advice from the JEC Official - Nigel Cupido.

What action was taken by the Presiding Officer or other officials?

The JEC official contacted their regional office, who in turn, told them that it is illegal for the S.A.P. to transport members of the general public. This information was passed onto the S.A.P. of Kensington
