Other (please fill in) Lack of Xhosa - speaking interpreter

Time of incident: Late morning + early afternoon

Describe what happened: Xhosa-speaking voters needing explanation of process etc. While staff in hall white + not able to speak Xhosa. Our ANC Agent was asked to assist - but this obviously becomes a problem in that an agent can't help voters vote!

What did you do about it? Asked presiding officer to arrange for an interpreter.

What action was taken by the Presiding Officer or other officials?

No action by time I left. Our agent on duty in afternoon was to follow up - no report on progress yet.

NOTE: Please keep this form and give it to your District Election Agent.
