Sir

**RE : APPLICATION FOR PARTICIPATION AT CODESA BY PARAMOUNT CHIEF  
 E.M. MABENA II OF KWANDEBELE**

As the above matter refers, I S.I Masuku as chairman of the above named Tribal Authority have been duly instructed to seek representation for delegate status of his Majesty Ingwenyama E.M Mabena II of the Amandebele AkwaManala.

His Majesty Ingwenyama E.M Mabena II stands at the head of one of the two major tribes of Kwandebele and his participation at Codesa, will help us in the articulation of our rights to self determination and full participation of a new order in our region as well.

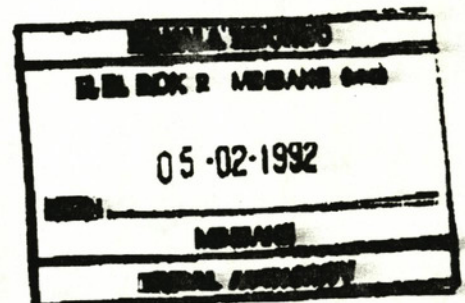

In the light of the present developments regarding the role of Traditional leaders, we strongly believe that only full delegate status will be sufficient to his Majesty Ingwenyama E.M. Mabena II

We would appreciate it if, the Secretariat could process this application as soon as possible, as Ingwenyama would wish to be placed in the light as soon as possible.

Thanking You in anticipation

Yours Faithfully

Re: Presentation of written evidence by Traditional Leaders to the Sub Committee.

The above mentioned Tribal Authority has after deliberation with Tribal elders and members of the Royal kraal, decided on the above mentioned matter as follows:-

1. Ingwenyama S. M. Mabe II in his capacity as the head of Awasibelele akwaManabe in Kusandelele, be granted delegate status to participate in Coedera.
2. Reasons being that, the Ingwenyama is the Custodian of our norms, traditions and culture. We feel that the participation of our traditional leaders at Coedera will enable us to understand that our Nationhood will be protected by those who will be representing our interests at Coedera.

(iii) The application already submitted by Ingwenyama  
E.M. Mabeza II should be positively considered.

We hope that this motivation will receive your  
favourable consideration

Yours faithfully

**PRESENTATION OF EVIDENCE**

As suggested by your Sub-Committee I have been able to arrange a meeting of all traditional leaders in my area of administration early this month.

Consequent to this meeting the various traditional leaders made their written representations as per attached documents.

It would seem that no one of the traditional leaders whose representations are attached is indicating a will to present verbal evidence on 18 or 19 March 1992. They apparently feel that these written representation will serve the purpose.

Hoping that you will find this in order.

Yours faithfully
