Describe what happened: Sr Smit had one of her patients (blind) and was helping her to vote. My vision was not clear on the 1st Ballot, but heard someone at booth say NP. At Provincial ballot a definite coercion took place by cheating on the voters (blind) instruction to vote DP and dr Smit tried to cross NP but was stopped by IEC official Arbitator. T

What did you do about it? I spoke to the Presiding Officer + IEC official at about 15:30 as more public votes were taken and the P.O. had no other problem to see to. On hearing this I made it clear that I shall be speaking to our District Agent and that my exact report would go in.

What action was taken by the Presiding Officer or other officials?

P.O. spoke to the Matron without my knowledge first then the Matron (Freda de Jager) apparently spoke to Sr Smit. Sr Smit, the Matron and the Presiding Officer spoke to me and tried to console me that all was a mis-understanding.
