Describe what happened: Voter experienced problems in booth. I called P.O., went to fetch IEC monitor to be a witness. By the time I returned P.O. had moved her on. I also noticed earlier that the interpreter was giving assistance without the presence of monitors

What did you do about it? Approached P.O. said I had a problem. I had already spoken to him as I was concerned that no effort was being made to establish who needed assistance and to offer it.

What action was taken by the Presiding Officer or other officials? He took NO action and is not making any effort to be transparent. He's got bad attitude problem.
