CAPE BAR COUNCIL

The attention of members is directed to a resolution passed at a Special Meeting of the Bar Council, held on 3rd October, 1963:

" That it should be recommended to members that if a brief is offered to a member in a matter in which Sachs previously held a brief at any stage, he should indicate to the attorney that he will hold such a brief on the understanding that if Sachs is available at a future stage, all further briefs in that matter will then be delivered to Sachs.
