Dear Colleague,

This is just a short note to thank you once again for your participation in the Human Rights Lobby Group for the New Constitution Workshop/Conference held from 2-3 June here in Port Elizabeth.

We are at present collating the papers and reports from the workshops and when they are ready they will be posted to you. I am however enclosing with this letter a copy of our mailing list which contains the names of the participants at the conference, as well as the names of other NGOs who were unable to attend, but who wish to be kept informed of proceedings.

Meanwhile thank you once again for your stimulating input and hard work at the workshops - we hope that this lobby group will succeed in having the various human rights issues put very firmly on the agenda when South Africa's new constitution is decided.

Yours sincerely,

RR
