### CONSTITUTION-MAKING BODY/PROCESS

#### 1. General Constitutional Principles

##### 1.1 The Declaration of Intent contains six general principles:

*"To set in motion the process of drawing up and establishing a constitution that will ensure, inter alia:*

- a. that South Africa will be a united, democratic, non-racial and non-sexist state in which sovereign authority is exercised over the whole of its territory;*
- b. that the Constitution will be the supreme law and that it will be guarded over by an independent, non-racial and impartial judiciary;*
- c. that there will be a multi-party democracy with the right to form and join political parties and with regular elections on the basis of universal suffrage on a common voters roll; in general the basic electoral system shall be that of proportional representation;*
- d. that there shall be a separation of powers between the legislature, executive and judiciary with appropriate checks and balances;*
- e. that the diversity of languages, cultures and religions of the people of South Africa shall be acknowledged;*
- f. that all shall enjoy universally accepted human rights, freedoms and civil liberties, including freedom of religion, speech and assembly protected by an entrenched and justiciable Bill of Rights and a legal system that guarantees equality of all before the law."*

*(cf Declaration of Intent, pages 2 & 3)*

##### 1.2 In this regard, an Addendum was subsequently appended to the Declaration as a clarification to the above principles:

*"For the avoidance of doubt as to the interpretation of the Declaration of Intent, it is declared by its signatories that irrespective of their individual interpretive views thereof, no provision of the Declaration of Intent, interpreted alone or in conjunction with any other provision thereof shall be construed as -*

- 1. favouring or inhibiting or precluding the adoption of any particular constitutional model, whether unitary, federal, confederal, or*

*otherwise, consistent with democracy;*

2. *preventing any participant from advocating the same or the separation, in terms of any constitutional model, of powers between a central government and the regions; during the proceedings of CODESA or any of its committees or Working Groups;"*

*(cf Addendum to Declaration of Intent, page 4)*

1.3 In addition to the above, the Management Committee issued a further clarification to the effect that the Declaration of Intent must be understood to allow any participant to make submissions on the question of self-determination.

1.4 The question of constitutional principles which would be binding on a Constitution-Making Body (CMB) was part of the Terms of Reference of Working Group 2. The following areas of commonality with regard to general constitutional principles were prepared by the Steering Committee and submitted to the Working Group on 12 May 1992:

1. *South Africa will be a united, sovereign state in which all will enjoy a common South African citizenship.*
2. *South Africa will be democratic, non-racial and non-sexist.*
3. *The constitution shall be the supreme law.*
4. *There will separation of powers between the legislature, the executive and the judiciary with appropriate checks and balances.*
5. *The judiciary will be independent, non-racial and impartial.*
6. *There will be a legal system that guarantees the equality of all before the law.*
7. *There will be representative and accountable government embracing multi-party democracy, regular elections, universal adult suffrage, a common voters role and, in general, proportional representation.*

  - 10.2 *Each level of government shall have appropriate and adequate legislative and executive powers, duties and functions that will enable each level to function effectively; such powers, duties and functions to be entrenched in the constitution.*
  - 10.3 *In addition to the powers, duties and functions entrenched in the constitution, each level of government may delegate powers, duties and functions to other levels of government.*
  - 10.4 *The general principles of the constitution including the terms of the Bill/Charter of Fundamental Rights shall apply to each level of government.*
11. *The new constitution shall provide for effective participation of minority political parties consistent with democracy."*

*(cf pages 43 - 44)*

- 1.5 The Steering Committee also prepared a report dated 27 April 1992 recording the areas on which no agreement yet existed:

"2. *Issues on Which No Agreement Yet Exists*

- 2.1 *Economic freedom, government intervention and economic systems.*
- 2.2 *Accommodation of the diversity of languages, cultures and religions.*
- 2.3 *Role of Traditional Leaders.*

  - 2.4.1 *Its nature and scope*
  - 2.4.2 *Affirmative action*
  - 2.4.3 *Second generation rights*
- 2.5 *Self-determination*
- 2.6 *New items proposed, namely:*
  - 2.6.1 *The role of standing committees in the formulation of legislation.*

2.6.2 *Government will be open, accessible and accountable.*

- *property rights, provided that legislation may in the public interest authorise expropriation against payment of reasonable compensation which shall in the event of a dispute be determined by a court of law.*

*The constitution shall enable the implementation of measures to help address the racial and gender inequities caused by past discrimination."*

3.3 *Draft principle on the accommodation of the diversity of languages, cultures and religions:*

*"The constitution at all levels of government shall accommodate and protect the right of citizens to practice their religion, enjoy their culture and use their own language both as individuals and in association with others. 3.4 *Draft principle on the role of traditional leaders:*

*"The constitution should define a suitable role for traditional leaders consistent with the objective of a united, non-racial, non-sexist, democratic South Africa." "*

*(cf pages 41 - 42)*

2. **Constitution-Making Body**

2.1 The Working Group 3 Report to CODESA 2 recorded commonality, on *pages 48 & 49*, in the following terms:

"9. *As will appear from the agreements set out below, the Working Group was of the opinion that the transition to democracy involves two preliminary stages. The first stage is one during which preparations will be made for the holding of free and fair elections for an elected parliament under an interim constitution with the power to draft in terms of agreed procedures a new constitution and to act as an interim legislature. This stage covers the whole of the period up to and including the holding of the elections. The second stage covers the period from the holding of the elections to the adoption of a new democratic constitution and the installation of a new government in accordance with the provisions of such constitution.*"

2.2 This Report also recorded the following understanding:

"12. *The following agreements were reached in regard to the first stage of the transition. These agreements and their implementation are dependent upon agreement being reached by Codesa in respect of the second stage of the transition, including an interim constitution, and general constitutional principles.*"

2.3 The memorandum prepared by the Chairman and Secretary of Working Group 2, dated 22 June 1992, which appears on *pages 33 - 44*, records the following basis approach:

"1. *Basic approach: Constitution making within the framework of a Transitional/Interim Constitution*

1.1 *CODESA shall agree to and draft a transitional/interim constitution. This constitution shall be submitted to parliament for legislation within two months of this agreement and all parties within Codesa in parliament commit themselves to supporting such legislation.*

1.2 *The transitional/interim constitution shall make provision for the constitution making process through which, and the*

*constitution making body by whom, a final constitution shall be drafted and adopted."*

*(cf page 36)*

- 2.4 Working Group 2 was seized with three proposals which appear on *pages 34 - 35*, aimed at resolving the deadlock which had arisen. All three proposals were based on the premise that the elected National Assembly would draft and adopt the final constitution.
- 2.5 From the point of view of constitution making, the National Assembly shall be elected on the basis of proportional representation and universal adult suffrage, half the seats being allocated through national lists and half through regional lists, in order to ensure proper representation of regions.

*(cf paragraphs 3.1.2, 3.2.1, page 37)*

- 2.6 On the binding nature of the constitutional principles, the following was recorded:

*"3.8.1 CODESA shall agree on a set of general constitutional principles to be enshrined in the final constitution and which shall not be contradicted by any provision of the final constitution.*

*3.8.2 The transitional/interim constitution shall contain an entrenched provision prescribing that the final constitution shall give effect to paragraph 3.8.1 and shall establish an independent mechanism which will be the only body to determine that the general constitutional principles have been enshrined and not contradicted in the final constitution; which determination may only be initiated by a party in the NA."*

*(cf page 39)*

- 2.7 On the question of time frames and deadlock-breaking for the CMB, the following is recorded:

*"4. Special Mechanisms*

*Codesa shall agree on special mechanisms to ensure that the national assembly completes the work of drafting and adopting the final constitution within a specified period of time. The transitional/interim constitution shall remain in force until replaced by the final constitution."*

*(cf page 39)*

VOLUME I OF CONSOLIDATED DOCUMENT

This stage covers the whole of the period up to and including the holding of the elections. The second stage covers the period from the holding of the elections to the adoption of a new democratic constitution and the installation of a new government in accordance with the provisions of such constitution.*"

*(cf page 48)*

2. The Interim Constitution (as distinct from the final constitution) shall be agreed upon in CODESA.

3.5 Fundamental Rights

*CODESA shall agree on justiciable fundamental rights which shall form part of and shall be entrenched in the transitional/interim constitution.*

3.6 Regional Government

3.6.2 *Provision shall be made for regional government and/or the phasing in of such government with the boundaries, powers, duties and functions as referred to in paragraph 3.6.1.*

3.6.3 *The transitional/interim constitution shall entrench regional government and its boundaries, powers, duties and functions in the transitional phase and the transitional/interim constitution shall in this regard not be amended without the agreement of all the parties in the National Assembly until the adoption of a new constitution in terms of the procedures set out in 3.2.*

3.7 Provisions regarding amendments to the transitional/interim constitution.

*Amendments shall only be of force and effect if:*

### INDEPENDENT ELECTION COMMISSION

*Status: The extracts are from the Reports of Working Groups 1, 3 & 4. All three Reports were endorsed by the respective Working Groups and tabled at CODESA 2.*

1. There shall be an Independent Election Commission to be given the responsibility for the holding of free and fair elections. The Commission will be independent of the TEC and will consist of respected and suitably qualified persons drawn from a broad cross-section of the population, who will be appointed by the State President on the recommendation of Codesa.
2. The composition, powers (which shall include the power to resolve disputes as contemplated in paragraphs 27, 28 and 33 hereof) and functions of the Commission shall be enacted in legislation to be agreed to by Codesa.

*(cf Working Group 3 Report, paragraphs 30.1 - 30.2 pages 54-55)*

3. There may be a need for an election sub-council to provide services and information to the Independent Election Commission. The TEC will decide whether or not there is a need for such a sub-council. The appointment of such a sub-council will not interfere in any way with the independence or powers of the Independent Election Commission.

*(cf Working Group 3 Report, paragraph 32.6, page 58)*

4. In the defined areas of responsibility of sub-councils of the TEC, ministerial powers and discretion in so far as they affect the levelling of the playing fields, the creation of a climate conducive to free and fair elections, or free political participation will be exercised in consultation with the TEC, or a sub-council to which this function is delegated by the TEC. Any disagreement arising out of the provisions of this paragraph may be referred by any participant in the TEC to the Independent Election Commission.

*(cf Working Group 3 Report, paragraph 28, page 28)*

5. In the event of any dispute arising as to whether any specific matter or sphere of action falls within the ambit of any of the above objectives, definitions and/or concepts, such dispute may be referred by any participant in the TEC or sub-council, as the case may be, to the Independent Election Commission.

*(cf Working Group 3 Report, paragraph 33, page 58)*

6. The people of the TBVC states shall take part fully in the processes of constitution-making and transitional arrangements, including elections, as may be proposed by Working Groups 2 and 3. Their participation will be arranged in such a way that their votes in a national election shall signify support for or rejection of re-incorporation. The results of such an election shall constitute a sufficient test of the will of the people. [The Boputhatswana Government recorded its reservation in this paragraph.]

*(cf Working Group 4 Report, paragraph 3.1.3, page 66)*

7. Purpose of the elections

The elections would be "for an elected parliament under an interim constitution with the power to draft in terms of agreed procedures a new constitution and to act as an interim legislature".

*(cf Working Group 3 Report, paragraph 9, page 48)*

8. Funding of political parties

Provisions of the Prohibition of Foreign Financing of Political Parties Act No 51 of 1968 with regard to the receipt of foreign funds by political parties shall be suspended until a date 6 (six) months from the date of the General Election in terms of the provisions of a negotiated new constitution for South Africa.

### THE AMENDMENT AND/OR REPEAL OF ANY REMAINING LAWS MILITATING AGAINST FREE POLITICAL ACTIVITY, INCLUDING THE ELIMINATION OF ALL DISCRIMINATORY LEGISLATION

*Status: Extracts from the Report of Working Group 1. The Report was endorsed at Working Group level and was tabled at CODESA 2.*

#### 1.1 **Laws militating against free political activity**

##### 1.1.1 Approach

It was agreed that the approach to the issue of laws militating against free political activity should be the following:

- 1.1.1.1 Firstly, there needs to be acceptance of the principle of free political activity.
- 1.1.1.2 Secondly, there needs to be agreement on the definition of general principles underpinning/guidelines for free political activity.
- 1.1.1.3 Thirdly, attention must be given to specific pieces of legislation.

##### 1.1.2 General principle

Regarding 1.1.1.1 it was agreed that:

- 1.1.2.1 a climate for free political participation is an essential element of the transitional phase towards and in a democratic South Africa; and
- 1.1.2.2 the process of democracy requires that all participants in the political process should be free to participate peacefully in that process without fear and on an equal footing and on the basis of equality with other participants.
- 1.1.2.3 The South African Government and the NP expressed their reservations on paragraph 1.1.2.2 reserving their point of view until a full resolution dealing with principles governing free political activity was debated.

##### 1.1.3 Definition of/general principles underpinning/guidelines for free political activity

- 1.1.3.1 There was agreement on the necessity to formulate a definition of, or the principles underpinning, free political activity.
- 1.1.3.2 Various oral and written submissions on the content of such definition/principles were made and a motion tabled.
- 1.1.3.3 No consensus has yet been reached on a definition of/general principles underpinning free political activity.

#### 1.1.4 Specific measures

Regarding 1.1.1.3 various oral and written submissions were received about legislative measures which may offend against free political activity. The submissions dealt with the following broad categories of legislation:

- 1.1.4.1 Emergency measures;
- 1.1.4.2 Security measures;
- 1.1.4.3 Measures affecting the funding of political Parties and organisations;
- 1.1.4.4 Measures affecting the freedom of assembly and association;
- 1.1.4.5 Measures affecting the free flow of information and access to the media.

#### 1.1.5 Task group

A task group was appointed to inquire into the reform of Emergency and Security legislation. The task group met several times and made appropriate recommendations.

#### 1.1.6 Emergency Legislation

- 1.1.6.1 It was agreed that:
  - 1.1.6.1.1 A State of Emergency should only be declared on the advice of a multi-party interim executive/cabinet/interim government council. This would only take effect once such a body has been instituted;
  - 1.1.6.1.2 The proclamation of a State of Emergency or an unrest area and any regulations issued in terms thereof should be objectively justiciable in a court of law on, inter alia, the following grounds:

1.1.6.1.2.1 whether the factual situation existing at the time justifies the declaration of the State of Emergency or unrest area in terms of criteria laid down in the Public Safety Act, 1953;

1.1.6.1.2.2 whether the exigencies of the situation justify the powers conferred by regulations made in terms of the proclamation of the State of Emergency or unrest area;

1.1.6.1.3 The provision in the Public Safety Act, 1953, that a State of Emergency can be declared retrospectively, should be repealed.

1.1.6.1.4 It is desirable to include in the Public Safety Act, 1953:

1.1.6.1.4.1 Extended provisions for Parliamentary control of a State of Emergency;

1.1.6.1.4.2 A provision for certain non-derogable rights;

1.1.6.1.4.3 Provisions for certain procedural controls over detention without trial.

1.1.6.2 It is recommended that the timing of the implementation of the various agreed proposals be negotiated as a matter of urgency amongst the parties.

#### 1.1.7 Security Legislation

##### It was agreed that:

1.1.7.1 Special measures are necessary to deal with the threat to the public peace and order during the transitional period;

1.1.7.2 In the light of 1.1.7.1, the Internal Security Act 1982, and other relevant legislation be scrutinised with a view to the substitution of the said provisions so as to bring legislation in

line with the criteria mentioned in 1.1.7.1., and to remove the emphasis from national security

- 1.1.7.3 A task group be appointed to undertake the task referred to in 1.1.7.2, taking cognisance of relevant discussions by and submissions to SG1.

#### 1.1.8 Procedure

Regarding the procedure to be followed in the repeal and/or amendment of legislative measures militating against free political activity, it was agreed that the following three options (not necessarily exhaustive or mutually exclusive) should be examined:

- 1.1.8.1 separate pieces of legislation amending/repealing individual statutes and/or the use of a General Law Amendment Act;
- 1.1.8.2 amendment/repeal of offending legislation combined with the enactment of a interim statute dealing with freedom of association, assembly and speech against which any outstanding offending measures may be tested.
- 1.1.8.3 the enactment of an Interim Bill of Rights against which offending legislation can be tested;

### 1.2 **Discriminatory Legislation**

- 1.2.1 It was agreed that the following categories of discriminatory legislation can be identified and that individual legislative measures within each category should be dealt with in the manner outlined as being appropriate for that category:

- 1.2.1.1 Discriminatory legislation which impedes the creation of a climate for free political activity. Such legislation must be identified by WGI and amended/repealed as soon as possible.
- 1.2.1.2 Discriminatory legislation which emanates from the nature of the tricameral constitution. This should be dealt with at the time and in the manner decided on by negotiation on the phasing out of the tricameral constitution and the own affairs dispensation.
- 1.2.1.3 Discriminatory legislation which need to be amended/repealed to support and enhance the process of democratisation. These should be identified as soon as possible and suitably amended/repealed.
- 1.2.1.4 Discriminatory legislation which needs to be removed in the interests of society. These should be dealt with at the relevant stage of the democratisation process.

1.2.1.5 Discriminatory legislation which would infringe upon an agreed Bill of Rights. These should be dealt with through the procedures that stand to be created in a new constitution which will include a justiciable Bill of Rights.

1.2.2 The WG received proposals on discriminatory legislation which falls in the above categories and which should be amended and/or repealed. The discussions on these proposals are incomplete and it was agreed that the task group constituted in terms of para 1.1.7.3 above, or any other mechanism set up by Codesa, discuss the proposals regarding discriminatory legislation which falls within categories 1.2.1.1 and 1.2.1.3 above with a view to making appropriate recommendations. Such task group or appointed body should report to Codesa or any other appropriate executive body that may be set up by Codesa.

**2 Political Intimidation: "Any action or set of actions committed by an individual, organisation, political party, government represented at CODESA, as well as the self-governing territories or any agency of such government or self-governing territory, that is designed by the use or the threat of use of force or violence to disrupt or interfere with the legal rights of an individual, for instance: the Right to freedom of expression or opinion; the Right of freedom of association; the Right of freedom of movement"**

It was agreed that:

2.1 All political disputes between parties be resolved peacefully.

2.2 Political Intimidation be defined as follows:

Any action or set of actions committed by any individual, organisation, political party, government represented at CODESA, as well as the self-governing territories or any agency of such government or self-governing territory, that is designed by the use or the threat of use of force or violence to disrupt or interfere with the legal rights of an individual, inter alia:

2.2.1 the right to freedom of expression or opinion;

2.2.2 the right of freedom of association;

2.2.3 the right of freedom of movement.

2.3 In particular, the following shall be considered forms of political intimidation:

2.3.1 to kill, injure, apply violence to, intimidate or threaten any other person or his/her political beliefs, words, writings or actions;

2.3.2 to remove, disfigure, destroy, plagiarise or otherwise misrepresent any symbol or other material of any other political party or organisation;

- 2.3.3 to interfere with, obstruct or threaten any other person or group travelling to or from or intending to attend, any gathering for political purposes;
- 2.3.4 to seek to compel, by force or threat of force, any person to join any party or organisation, attend any meeting, make any contribution, resign from any post or office, boycott any occasion or commercial activity or withhold his or her labour or fail to perform a lawful obligation; or
- 2.3.5 to obstruct or interfere with an official representative of any other political party or organisation's message to contact or address any group of people;
- 2.3.6 the possession, carrying or displaying of dangerous weapons or firearms by members of the general public when attending any political gathering or meeting.

*Status:* These extracts are from the Report of Working Group 1. The Report was endorsed at Working Group level and tabled at CODESA 2. The Working Group 3 Report also refers to the need for an Independent Media Commission.

#### 1.1 Independent Body To Regulate Telecommunications Sector

##### 1.1.1 Establishment

It was agreed that an independent, neutral body be established to regulate the telecommunications sector, such body to be created in terms of an Act of Parliament.

#### 1.1.5 Constitution of Independent Body

It was agreed that:

1.1.5.1 Members of the Independent Body shall be South African Citizens of merit who act in the public interest.

It was agreed that organs of civil society shall be invited, inter alia, by advertisement in the press, to nominate names to either CODESA or the interim structure, whichever is appropriate at the time, bearing in mind the urgency of the matter, for purposes of preparing a short list of names from which the board of the Independent Body can be appointed.

1.1.7 Accountability and Finance

1.1.7.1 It was agreed that the Independent Body shall be accountable to the executive of the interim constitutional authority, provided that once a representative Parliament comes into being such a body shall be accountable to Parliament or one of its standing committees; further provided that the independence of such a body shall not be impinged upon in any way whatsoever.

It was agreed that the above matters should devolve upon the Independent Body.

1.1.9 SABC

There was no consensus on a proposal regarding the immediate reconstitution of the Board of the SABC.

It was however agreed that, since WG1 had reached consensus that an Independent Body to regulate the telecommunications sector be created at the earliest opportunity:

*Status: The Report from which the following extracts are made was approved of in Working Group 3 and tabled at CODESA 2.*

#### **Introduction to agreements reached**

1. As will appear from the agreements set out below, the Working Group was of the opinion that the transition to democracy involves two preliminary stages. The first stage is one during which preparations will be made for the holding of free and fair elections for an elected parliament under an interim constitution with the power to draft in terms of agreed procedures a new constitution and to act as an interim legislature. This stage covers the whole of the period up to and including the holding of the elections. The second stage covers the period from the holding of the elections to the adoption of a new democratic constitution and the installation of a new government in accordance with the provisions of such constitution.
2. During the first stage there is a need for a multiparty transitional executive structure to function in conjunction with existing legislative and executive structures, subject to the possible consolidation of the tricameral parliament and the general/own affairs departments. The purpose of the transitional executive structure will be to prepare for and to facilitate the transition to a democratic constitution to which Codesa is committed and in particular, the achievement of a level playing field and a climate favourable to free political participation and the holding of free and fair elections.
3. Legislation, including an amended or transitional constitution, is necessary to make provision for appropriate structures of government which will meet the needs of both stages.
4. The following agreements were reached in regard to the first stage of the transition. These agreements and their implementation are dependent upon agreement being reached by Codesa in respect of the second stage of the transition, including an interim constitution, and general constitutional principles.

#### **Basic points of departure**

5. There is a need for a level playing field and a climate favourable to free and fair elections and free political participation. From this flows the requirement for statutory structures to prepare for the institution of the elected parliament under an interim constitution, and for these structures to focus on meeting these needs. In this regard particular areas of concern should be identified and there should be councils for the identified areas. Thereafter the tasks of each council should be described as well as the executive powers that it would require in regard to such tasks. It would also be possible for the councils to propose legislation. Since the councils must always act

within the law, enabling legislation will be required.

6. It is possible that action may take place or legislation be considered outside the councils' defined areas of concern, which may have a negative impact on such areas. Councils should be able to identify these and within their powers require that such actions should not take place or legislation not be proceeded with.
7. There should be an overarching council. One of its tasks will be to familiarise itself with events and developments on the broader political scene in government and elsewhere. It will be able to intervene within its terms of reference if something is happening elsewhere that may negatively affect the levelling of the political playing field or the ensuring of a climate favourable to free political participation.
8. The terms of reference of the overarching body should be the facilitation of the transition to democracy including the levelling of the playing field and the ensuring of a climate for free political participation and for the conducting of free and fair elections, while the individual councils should have the same terms of reference but in specific fields. The powers, duties and functions vested in the transitional executive structure must be exercised in a manner that does not prejudice constitutional options.

#### **The transitional executive structure**

9. A transitional executive structure will be constituted by legislation agreed to by Codesa. It will have a multi-party character and will be vested with effective executive powers sufficient to fulfil its terms of reference. The structure will include an overarching council, herein referred to as the TEC (Transitional Executive Council).
10. The TEC will have sub-councils which will be given specific responsibilities in relation to areas of particular concern during stage one of the transition.

#### **Powers of the TEC**

11. The TEC will be vested by legislation agreed to by Codesa with powers necessary to enable it to carry out its functions.
12. The TEC will have access to all information (including records of governments and other participants in the TEC) which may be required by it for the purpose of exercising its functions.
13. The sub-councils will report to the TEC and their decisions will be subject to confirmation/amendment by the TEC.
14. The TEC will be able to delegate powers to the sub-councils.
15. The TEC will be able to initiate or participate in negotiations in relation to issues which arise outside the defined areas of responsibilities of its sub-councils, if it is of

the opinion that such issues could have an impact on the levelling of the playing fields or the creation and maintenance of a climate in which free and fair elections can be conducted.

16. The TEC will be kept informed of and will be able to ask for and be entitled to receive information in regard to proposed legislation including bills, proclamations and regulations, and of executive actions and contemplated executive actions of all participating governments/administrations that may impact on the levelling of the political playing field and on free political participation.
17. The TEC will be kept informed of and will be able to ask for and be entitled to receive information in regard to actions and contemplated actions on the part of participating political parties/organisations that may impact on the levelling of the political playing field and on free political participation.
18. If, when considering a proposed bill, proclamation, regulation or action, the TEC has reason to believe that it will have an adverse impact upon the maintenance of a climate for free political participation and in which free and fair elections can be conducted, or will disturb attempts to level the political playing field, it may in pursuit of its objectives, taking into account its necessity, require the government, administration or party not to proceed with it.
19. If the government, administration or party concerned is of the opinion that the necessity of the bill, proclamation, regulation or action in its area of application outweighs its adverse impact referred to in paragraph 18 hereof, the matter may be referred to the independent election commission.
20. In the defined areas of responsibility of sub-councils of the TEC, ministerial powers and discretions in so far as they affect the levelling of the playing fields, the creation of a climate conducive to free and fair elections or free political participation will be exercised in consultation with the TEC, or a sub-council to which this function is delegated by the TEC. Any disagreement arising out of the provisions of this paragraph may be referred by any participant in the TEC to the Independent Election Commission.
21. The decisions of the TEC made within its terms of reference and its powers as set out above will be binding on and will be implemented by all participants including governments/administrations.

### **Independent commissions**

#### **22. Independent Election Commission**

22.1 There shall be an Independent Election Commission to be given the responsibility for the holding of free and fair elections. The Commission will be independent of the TEC and will consist of respected and suitably qualified persons drawn from a broad cross-section of the population, who will be appointed by the State President on the recommendation of Codesa.

- 22.2 The composition, powers (which shall include the power to resolve disputes as contemplated in paragraphs 19, 20 and 25 hereof) and functions of the Commission shall be enacted in legislation to be agreed to by Codesa.
23. Independent Media Commission: There will also be a Commission/Authority concerned with the media which will be instituted in accordance with recommendations made by Working Group 1. The composition, powers and functions of the Commission will be enacted in legislation to be agreed to by Codesa.

### **Sub-councils and their areas of responsibility**

24. Provision will be made in the empowering legislation to be approved by Codesa for the appointment of the following sub-councils. In this section 'regional governments' will be considered to include provincial administrations, self-governing and TBVC states which have elected to cooperate and work within the transitional executive structure.

#### 24.1 Regional and Local Government

This sub-council will acquaint itself with developments in regional and local government; it will identify and take action in respect of aspects of regional and local government that may impact on the levelling of the political playing fields and on a climate conducive to free political participation; and it will facilitate the process towards a democratic dispensation at regional and local levels.

#### 24.2 Finance

This sub-council will acquaint itself with developments in government finance on all governmental levels (including all existing governmental authorities, be they on the central, regional or local government level), to identify and take actions in respect of aspects in that field that may impact on the levelling of the political playing field and on free political participation, and to facilitate this process towards a democratic dispensation addressing the field of governmental financing including intergovernmental financing. In particular, one of the prime purposes of this sub-council shall be to monitor and/or frustrate any attempt by any governmental body to favour one or other political party or organisation.

#### 24.3 Law and Order, Stability and Security

This sub-council will acquaint itself with developments in law and order, stability and security at all levels of government (central, regional or local) and concerning all other participants in the TEC; it will take steps to identify and to promote all developments in this field which in its opinion may impact favourably upon the levelling of the playing fields and free political participation and the creation as far as possible of a climate of peace and stability; it will take steps to identify and to prevent within its powers all

developments in this field which in its opinion will impact adversely upon peace and stability, the levelling of the playing fields, free political participation or the transition to democracy. The functions of this sub-council will depend upon decisions taken in Working Group 1.

#### 24.4 Defence

This sub-council will acquaint itself with developments concerning defence and military formations at all levels of government (central, regional or local) and including all other participants in the TEC; it will take steps to identify and promote all developments in this field which in its opinion may impact favourably upon the levelling of the playing fields and free political participation, and the creation as far as possible of a climate of peace and stability; it will take steps to identify and to prevent within its powers all developments in this field which in its opinion will impact adversely upon peace and stability, the levelling of the playing fields, free political participation or the transition to democracy. The functions of this sub-council will also depend upon decisions taken in Working Group 1.

#### 24.5 Foreign Affairs

Due to the unique character of this sub-council there is a need for broader discussion concerning it.

#### 24.6 Elections

There may be a need for an election sub-council to provide services and information to the Independent Election Commission. The TEC will decide whether or not there is a need for such a sub-council. The appointment of such a sub-council will not interfere in any way with the independence or powers of the Independent Election Commission.

25. In the event of any dispute arising as to whether any specific matter or sphere of action falls within the ambit of any of the above objectives, definitions and/or concepts, such dispute may be referred by any participant in the TEC or sub-council, as the case may be, to the Independent Election Commission.

#### **Powers of sub-councils**

26. The legislation agreed to by Codesa will make provision for the sub-councils to be given all powers necessary to enable them to carry out their tasks effectively within their terms of reference.
27. Such legislation will include a provision empowering sub-councils to have access to all information (including records of governments/administrations and other participants in the TEC) which they may require for the purpose of carrying out their tasks within their terms of reference.

## **Composition of the TEC and sub-councils**

28. The TEC will be appointed by the State President on the recommendation of Codesa. It will consist of at least one member from each of the governments/administrations who commit themselves to comply with and implement the decisions of the TEC and at least one member from each of the political organisations participating in Codesa, provided that such organisations also commit themselves to comply with and implement the decisions of the TEC. Should parties not presently in Codesa wish to participate in the transitional executive structure, the TEC will have the power to recommend at its discretion that the TEC be enlarged to accommodate them, provided that they commit themselves to comply with and implement the decisions of the TEC, and in that event, the State President will make the necessary appointment. The removal and replacement of members of the TEC, and the temporary appointment of a person as a substitute for a member who is absent or unable to perform his or her duties, will be made by the State President on the recommendation of the TEC.
29. A sub-council will have a multi-party character and will ordinarily consist of up to six members who will be formally appointed by the State President on the recommendation of the TEC. There may be special circumstances in which more than six members will be necessary for the proper functioning of a sub-council and the enabling legislation will make provision for this. The removal and replacement of members of a sub-council, and the temporary appointment of a person as a substitute for a member who is absent or unable to perform his or her duties will be made by the State President on the recommendation of the TEC.
30. Members of the TEC and its sub-councils will be full-time executives, will be provided with the infrastructure necessary to enable them to carry out their duties, and their conditions of service will be prescribed in the legislation under which they are constituted.
31. Members of the TEC may serve on one or more of the sub-councils, or may be given special responsibility by the TEC for matters outside the defined areas of responsibility of the sub-councils, within its terms of reference.
32. The size of the Transitional Executive Structure will be kept as small as is reasonably possible.

## **Meetings of the TEC and its sub-councils**

33. All members of sub-councils, and Ministers of governments/administrations participating in the TEC whose departments may be affected by the functioning of the TEC and its sub-councils, may attend meetings of the TEC by invitation and speak on matters affecting their sub-councils or departments, and should attend when matters relating to their sub-councils or departments are being discussed.
34. All Ministers of governments/administrations participating in the TEC whose departments may be affected by the functioning of a sub-council, and who are not members of the sub-council concerned, may attend meetings of the sub-council and

speaking on matters affecting the functioning of their departments, and should attend by invitation if a matter affecting the functioning of their departments is being considered.

#### **How decisions will be made**

35. The TEC and the sub-councils will endeavour to take their decisions by consensus. Where consensus cannot be achieved a majority of at least eighty per cent will be sufficient for a decision of the TEC, provided that if any government, administration or party is of the opinion that the necessity of the minority opinion prevailing outweighs the adverse impact referred to Paragraph 18 hereof, the matter may be referred for adjudication as contemplated in Paragraphs 19, 20 and 25 hereof.

#### **States of emergency**

36. This issue will depend on decisions taken in Working Group 1.

#### **Implementation and time frames**

37. Subject to Paragraph 12 [of the original Report] and agreement by Codesa to the provisions of this report, Codesa should ask its Management Committee (MC) to ensure that all outstanding matters required for implementation are resolved within agreed time frames. Once this is completed to its satisfaction, the MC is delegated the authority to activate and implement the agreements of this report.

*(cf Working Group 3 Report, paragraphs 9 - 48 [Conclusion], pages 48 - 63. NB: The paragraphs have been renumbered for purposes of reference within the current document)*

In doing so, we once again join hands in the pursuit of our common belief and objectives; peace and stability for all in our country.

In rallying behind this common objective we acknowledge that the act of having signed the NPA binds us much more than the content of the NPA itself. From that we can, none of us, escape since we have committed ourselves to the NPA and in this way, we have given it life and meaning.

SG2 received several submissions on the implementation of the NPA. In addition, Dr Antonie Gildenhuys, chairperson of the National Peace Secretariat, and Mr John Hall, chairperson of the NPC, were invited to hold discussions with SG2 on the implementation of the NPA. In order to strengthen the NPA, the following matters were agreed to:

#### 4.1 General

##### It was agreed that:

4.1.1 In so far as the promotion of peace is concerned, the leadership of organisations is urged urgently to come together at peace rallies and meetings and to be seen by all to be jointly and collectively working towards peace and stability in our country. These peace rallies and meetings should be held under the auspices of the NPS and should augment the efforts of religious leaders in this regard.

4.1.2 The successful implementation of the NPA is fundamental to the creation of a climate for free political activity, peace and stability in our country. In this regard, it is strongly recommended to the signatories of the NPA to take active steps to ensure that they appoint senior office bearer(s) whose specific responsibility it will be to manage the organisation/party's duties in regard to the NPA. It is further recommended that, where possible, such persons be relieved of all other organisational/party obligations to facilitate the above.

#### 4.2 RDRC's and LDRC's (Clause 7.4 of the NPA)

##### It was agreed that:

4.2.1 A full time Chairperson/officer/employee/s be appointed by consensus by each RDRC on the understanding that at least one such functionary will be appointed and that the said functionary will be remunerated for his/her services by the NPA;

4.2.2 Delegates to RDRC's and LDRC's who suffer financially as a result of their participation in NPA activities be reimbursed;

4.2.3 Organisations participating in the NPA activities be requested not to vary the appointment of delegates to RDRC's and LDRC's as this seriously inhibits the progress of the work of the NPA;

- 3.3 The security forces in South Africa shall:
- 3.3.1 be bound by the principle of constitutional supremacy;
  - 3.3.2 be politically non-partisan;
  - 3.3.3 be committed to resolving conflict primarily through non-violent means;
  - 3.3.4 respect human rights, non-racialism and democracy;
  - 3.3.5 strive to be representative of South African society as a whole.
- 3.4 For the purpose of addressing our terms of reference, the WG is satisfied that all the Security Forces should be placed under the control of interim/transitional governmental structures. In this regard, this WG takes notice of the proposals tabled in WG3 to set up preparatory councils including one or more specifically intended to deal with the Security Forces. The WG supports the said abovementioned principle and agrees that the details of such councils be worked out by WG3.
- 3.5 Mechanisms should be implemented to ensure the public accountability of the security forces.
- 3.6 Codes of Conduct for the security forces should be agreed to and implemented.
- 3.7 A programme of orientation, designed with a view to improving security force-community relations, specifically with regard to the respect for human rights, non-racialism and democracy, should be implemented.
- 3.8 The following matters are outstanding:
- 3.8.1 The composition of the security forces

*(cf Working Group 1 Report, paragraph 12, pages 23 - 24)*

Signed: 14 September 1991.

- 4.2.4 Permanent offices with appropriate staff and equipment be established in each area provided for in clause 3.7.5 of the NPA;

4.7.2 It was further agreed that the reports by the special police investigative units appointed i.t.o. clause 3.2.2.6 which are made available to the NPC, be distributed to the relevant RDRC's and LDRC's as a matter of standard procedure.

4.8 Relations between the community and the police
