Dear Friends

Recently you were kind enough to send a copy of the transcription of the first plenary session of CODESA to the Registrar of Rhodes University. The Registrar has, in his turn, passed this copy on to the Cory Library and we were delighted to be able to add it to our growing collection of documentation on CODESA.

The Cory Library is a multi-media subject library specialising in Southern African affairs and we are therefore extremely eager to build as complete a collection of material as possible on what must be the most important development yet in our country's political history.

To this end, we would be extremely grateful if you could possibly put us on your mailing list for any material CODESA releases. We purchased the full videotape recording of CODESA I at the first opportunity and are gathering as much as we can in the Eastern Cape. We were pleased to receive a List of party/organisation/administration contacts for CODESA from your office on 9 March following so promptly on our initial faxed enquiry of the same date. We will naturally bear whatever costs are involved.

We wish you well in these momentous times and we look forward to a smooth and speedy progression to democracy and peace in a new South Africa.

Yours sincerely

Sandra Rowoldt (Ms)
