#### TASK-ORIENTATED SUB-GROUPS

The National Party hereby submits that the establishment of task-orientated sub-groups can only be discussed and finalised after consideration had been given to the question whether and which of the issues specified in 1.1.4 of the terms of reference should be addressed.

A general discussion by the whole group should therefore precede the division into sub-groups.

We sincerely hope that our submission will merit your attention.

In case of another ruling, enclosed please find our proposal for the establishment of task-orientated sub-groups.
