TO : CHAIRPERSON DAILY MANAGEMENT COMMITTEE

3 MARCH 1992

Dear Mr Gordhan

DECLARATION OF INTENT // TERMS OF REFERENCE WG5

Note has been taken that WG5 has constituted a sub-group to look at those particular areas of the Terms of Reference of WG5 which pertain to legislation.

In this connection clarity is requested on the following areas linked to a section of the Declaration of Intent which states:

"WE AGREE ..(2) that CODESA will establish a mechanism whose task it will be, in cooperation with administrations and the South African Government, to draft the texts of all legislation required to give effect to agreements reached in CODESA"

1. Does WG5 constitute the "mechanism" referred to above ? If not then how does this mesh with the aspect of the Terms of Reference of WG5 " to prepare in draft form the documentation which is required to give effect to such agreements" ?

2. Whether it was or is the intention to devise any other means of linking WG5 and "administrations and the South African Government" and whether "cooperation" may be fully concluded within WG5 in conjunction with the WG originating the principled decision giving rise to such legislation.

3. To what does the term "administrations" in the above quote refer ?

4. Whether there is any conflict between the Terms of Reference of WG5 and the wording of the Declaration of Intent.

It would be greatly appreciated if you, the DMC or, if necessary the MC, could respond to these questions as rapidly as possible as we appear to be fast approaching the stage where draft legislation will have to be considered by WG5.

Yours sincerely
D. CURRY
