A BETTER LIFE FOR ALL!

On 27 April, go out and make your mark to change your life for the better.
Your vote is your secret. It is your power. Use it.

The first ballot paper you will receive is for national government. The second one is for provincial government. For both levels of government you are right to want a democratic organisation that will create a better life for all.
That organisation is the ANC.

When you reach the polling booth, take your time. Look lower down in the ballot paper. You will see the ANC flag, spear and shield and Mandela's face.
Make your X in the empty box next to Mandela,
and you will have secured a better life for yourself
and your family.

First vote ... ANC

Second vote ... ANC

HOW TO MAKE YOUR X FOR FREEDOM AND A BETTER LIFE: STEP-BY-STEP

1. On 27 April go to your nearest voting station. Make sure you have your ID or voter card. Homeland ID's can also be used. All South Africans who are 18 years or older, have the right to vote.

2. Officials will check under a special light that you have not voted before.

9. Put your ballot form into the ballot box where it will be locked up. It will only be opened by the Independent Electoral Commission which will count all the votes.

3. They will then dip your hands in special ink. The light and the ink will not harm you.

4. You will be given the national ballot paper to vote on. It has the names of parties in it. With the paper you must go to the voting booth.

8. Don't let the other names confuse you. Take your time. Look again lower down for the ANC flag and symbol and Mandela's picture. Make your X in the empty box next to Mandela's picture. Only one X, in one block.

5. The voting booth is where you can make your X for a better life. Your vote is secret. No one will be able to see who you are voting for. Take your time. Find the flag and symbol of the ANC and Mandela's face lower down. Make your X in the empty box next to Mandela's face. Make your X only once, in one block. Your name will not appear on the paper.

7. Show your ID again to an official. You will be given the provincial ballot paper to vote on. With the form go to another voting booth.

6. Put your marked ballot paper into the ballot box where it will be kept locked up. It will only be opened by the Independent Electoral Commission.
