Dear Sir/Madam

Thank you for your fax advising us of the names of your delegation and support staff.

At a meeting of the Secretariat yesterday, it was drawn to our attention that there had been an administrative error in relation to the invitations to attend CODESA.

You were correctly sent our invitation to attend CODESA as full participants. This is in accordance with the decision of the Preparatory Committee meeting in November at which you were present. On the other hand, your office in Pretoria - through administrative oversight - was mistakenly invited to attend CODESA with observer status only.

The Secretariat, on behalf of the Steering Committee, apologises to the Venda Government for any confusion that may have arisen as a result of two separate invitations being sent to your organisation.

We take this opportunity to confirm that the status of your organisation is that of a full participant in CODESA and not as having any dual or observer status. Kindly therefore ignore the invitation sent to the Venda mission in Pretoria.

Your faithfully

M. Morobe
CODESA Administrative Manager on behalf of Managing Secretariat
