Resident Minister: Rev. Colin Murchie

25 March, 1992.

The Secretary-General of Codesa,
For attention: Mr. S.S. van der Merwe,
P.O. Box 307,
ISANDO, 1600.

Dear Mr. van der Merwe,

At the last meeting of the "Fellowship of the Kingdom" of the Cape District of the Methodist Church, I was requested to write to you, on behalf of the members, to affirm your efforts to bring peace to our land and, to establish a just society, where the basic rights of all its citizens will be honoured and, where all may live in safety, prosperity and happiness.

The "Fellowship of the Kingdom" is an informal gathering of Methodist Ministers who meet monthly, to discuss the Work of God within the church, to encourage and re-affirm each others Daily Walk with the Lord and, to express their minds on issues effecting mankind and, to seek the guidance of the Lord, in addressing them.

The result of the referendum, coupled with the negotiations taking place at Codesa will, we hope, allow you to continue the process of reform, until the goal of a truly democratic South Africa will be achieved.

Our prayer is that this time will swiftly come.

We pray for your well-being.

Yours sincerely,

.....
THE REV. C. MURCHIE
