MURPHY MOROBE
Administrative Secretary
CODESA

Dear Murphy,

As the CODESA train is now rolling, we would appreciate an opportunity for a small delegation from our board to meet you to discuss issues relating to media coverage of Codesa and its working groups.

We have some specific queries and broad proposals and would like to convey these to you and your colleagues at your earliest convenience.

We would also like to arrange for you to address a lunch of a broader group of Foreign Correspondents over the meetings of CODESA and for them to have an opportunity to ask questions.

If you are agreeable I would suggest March 5 or 10 as possible dates.

The meeting with the FCA Board we need to have sooner and I would suggest you propose a date to fit in with your calendar.

With best regards,
Yours sincerely,

John D. Battersby

Dear John

Thanks for your letter dated February 6 1992. My apologies for not responding earlier.

I am now in the process of reactivating the media committee which we had for CODESA 1. Indeed the matter is becoming quite urgent and I do promise to come back to you as soon as possible to follow up on your very valuable suggestion for a meeting with a delegation from your Board. I'll also come back to you on the lunch idea for a broader group of foreign correspondents.

Regards

Yours Sincerely

Murphy Morobe
