A. PAUL,

I wish to submit the following for consideration.

1) In addition to one person (adult) one vote one or more extra votes be granted to (a) rate payers in municipal, township, and what used to be divisional council areas (b) that additional votes be granted to persons who pay tax either through company tax as shareholders and/or are Income Tax payers.

As motivation for above I submit that persons who qualify are making an extra contribution to the state as against a person who pay no rates or tax and would mostly act and vote more responsibly than persons that have no ownership responsibilities. Note that no person is precluded from qualifying for extra votes.

2) I submit further that secret political organisations be investigated and possibly prohibited in view of the ~~the~~ failure of such organisations in Russia and S. Afr. The granting of positions etc through and to the Afrikaner Broederbond should be investigated.

A. Paul.
