Dear Mr Godden

Thank you for re-transmitting the Report on Sub-committee 4 to the Management Committee which I have received and passed on to the Management Committee's administrative assistant.

The document will be faxed to members of the Management Committee today for their review and copies will be distributed at the MC meeting on Monday.

I anticipate receipt of the document regarding the land moratorium, and will fax it out to SC4 as discussed with you yesterday.

I hope that you have received by now our fax of 10 June, which was Sue Albertyn's covering letter to your proposed plan of work and agenda. From this you will have seen that Sue requested a response to the suggested change of meeting date by close of business on Thursday 11 June.

On that score, Happy Bokaba (SC4's administrative assistant) tried to contact all SC4 members yesterday, and has so far gleaned only two affirmative responses on the matter of being able to attend a Monday meeting.

I will still telephone you at 12h00 as promised, to discuss what our next step should be. However, as it seems at this stage that SC4 will not change the date of its meeting, I attach a proposed fax which we could send out to SC4 at lunch time today. I would appreciate your approval/amendment of the wording when we speak later today.

Kind regards

ASHLEY SYMES

PROPOSED FAX MESSAGE

TO: ALL MEMBERS OF SUB-COMMITTEE 4
FROM: CODESA ADMINISTRATION
RE: NEXT MEETING OF SUB-COMMITTEE 4
DATE: 12 JUNE 1992 AT 12H30

Would all members of Sub-committee 4 kindly note that the next meeting of the Sub-committee will take place, as agreed at the last meeting, on Wednesday 17 June 1992 at 10h00, at the World Trade Centre in Kempton Park, Johannesburg.

A suggestion was made that the meeting be brought forward to Monday 15 June, but it has not been possible to adjust the schedule.

We trust no inconvenience has been caused, and thank you for your co-operation.

ASHLEY SYMES

Kind regards
