

**FINAL REPORT AND RECOMMENDATION FROM THE SUB-COMMITTEE ON THE
PARTICIPATION OF THE ZULU KING AND OTHER TRADITIONAL LEADERS
IN CODESA TO THE MANAGEMENT COMMITTEE ON 27 APRIL 1992**

The sub-committee hereby submits its report and recommendation to the Management Committee. A summary of all oral and written submissions has been distributed to the Management Committee. A full report of all submissions has been tabled with the Chairperson.

1. The sub-committee has agreed that the Zulu King and other Traditional Leaders should have participation at Codesa. It was also agreed that there should be, in principle, no difference between the participation of the Zulu King and other Traditional Leaders.
2. The sub-committee has agreed that participation should take the form of one delegation from each of the four provinces consisting of 12 delegates and 5 advisers. The administrations would be requested to facilitate with the bringing together of the Traditional Leaders, but not to prescribe as to who should form part of the delegations.
3. For the province of the Transvaal, the sub-committee agreed that there should be equal representation from each of the 6 regions within the province. That would mean two representatives from each region and that the delegates will decide on their advisers.
4. On the form of participation, after consideration of the written and oral submissions and from discussions within the sub-committee, the following two points of view have emerged:
 - 4.1 The four delegations should have participation in Codesa in a special way. The full four delegations would participate in the plenary sessions of Codesa. They should also form themselves into a consultative advisory group with a special status to advise and intervene. The consultative advisory group would have access to all the documentation in Codesa and identify the specific issues affecting Traditional Leaders and see where they would like to make an input or an intervention within the working groups. They will have the right to participate in debate within the working groups to influence decisions and intervene where necessary on issues affecting Traditional Leaders. The four delegations would not form part of the consensus. The summary of oral and written submissions refers.
 - 4.2 The four delegations should be afforded full participation in Codesa as all other participatory parties/organisations/administrations in Codesa and would function at all levels of Codesa. The summary of oral and written submissions refers.
