Dear Sir

We refer to the application by your organisation to be admitted as participant in CODESA.

The matter came up for consideration at the meeting of the Management Committee held on 27th April 1992. In this regard we wish to thank you for your reply to the questionaire that was sent out to you.

We regret to inform you that after careful consideration the Management Committee has decided not to admit your organisation as a full participant in CODESA.

May we draw to your attention that this decision does not preclude your making written submissions to any of the five Working Groups with regard to matters relevant to their Terms of Reference.

With kind regards.
