Dear Zack

Dear Dr De Beer,

Without wishing to burden further an already over-burdened committee, I would like to propose that you should issue a weekly statement of CODESA's activities in the form of a "Votes and Proceedings" analagous to the one published about parliamentary proceedings, or the "Mayor's Minute" which some city councils produce.

I make this request because I believe that CODESA's activities are not adequately communicated to the public via the media, which obviously faces great constraints due to time, space and so on.

I presume that CODESA already produces something of the sort for its own use, in the form of an order paper, record of motions, voting and so on, so that the pressure on the secretariat would not be significantly increased.

Yours faithfully,

*Best wishes
AW*
